

ML Memorial Polytechnic College

Date 15 Jan, 2024

Dr. Sandeep Kad
HOD CSE,
Amritsar Group of Colleges,
Amritsar, Punjab, [143109]

Dear Sir,

Subject: Request for Assistance with Networking of Lab Computers.

I hope this letter finds you well. I am writing to you on behalf of MLM Polytechnic College Moga with a request for your esteemed assistance regarding the networking of our computers for 3 laboratories.

As part of our ongoing efforts to enhance our IT infrastructure and improve the learning experience for our students, we are in the process of upgrading our lab facilities. We have identified a critical need to network our computers to facilitate better resource sharing, data management, and collaborative work among students.

Given Amritsar Group of Colleges' recognized expertise in IT infrastructure and network management, we would like to seek your guidance and assistance in setting up a robust and efficient network for our lab computers. Specifically, we are looking for support in the following areas:

1. **Network Design and Implementation:** Advice on the best practices for designing a network that meets our requirements, including hardware specifications and network layout.
2. **Configuration and Setup:** Assistance with configuring the network components and ensuring all computers are correctly connected and operational.
3. **Troubleshooting and Maintenance:** Guidance on troubleshooting common issues and best practices for ongoing maintenance and support.

We believe that your experience and technical proficiency in this field will be invaluable to us. If possible, we would greatly appreciate an opportunity to discuss this request further and explore how we can collaborate to achieve our goals.

Please let us know your availability for a meeting or any initial consultation, either in person or virtually. We are flexible with timings and would be happy to accommodate your schedule.

Thank you very much for considering our request. We look forward to your positive response and hope for a fruitful collaboration.

Warm regards,

A handwritten signature in blue ink, appearing to read 'Harish', is written above the typed name.

Head Computer Deptt.
MLM College, Moga.

Subject: Consultancy charges for Networking of Lab Computers.

Dear Sir,

Please refer to your letter of intent for the "Networking of Computers" for your College. We are pleased to accept your request. We have deputed the following Network Admin and Technician, CSE Department for this task.

S. No	Name	Designation
1	Mr Gurpeet Singh	Network Admin
2	Mr Sandeep Bhandari	Technician
3	Maninder Singh	Instructor
4	Jugraj Singh	Instructor

It is further informed that we will be charging Rs. 50,000/- as Consultancy fees for the required service. Please Acknowledge.

With Regards,

Dr. Sandeep Kad

Dear Sir/Madam,

Subject: Ready for Payment of Networking Charges for Lab Computers

I hope this letter finds you well. I am writing to inform you that I am ready to pay the charges related to the networking of the lab computers at MLM Polytechnic College. I understand the importance of maintaining an efficient and well-connected lab environment for the students, and I am committed to ensuring that the necessary funds are made available promptly.

Kindly provide preferred mode of payment so that I can proceed with the payment at the earliest convenience.

Thank you for your attention to this matter. I look forward to your guidance on the next steps.

Regards.

Head Computer Department,
ML Memorial Polytechnic College
Moga.

Subject: Request to host a 5-Day Workshop on Artificial Intelligence and Machine Learning.

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 5-day workshop on Artificial Intelligence (AI) and Machine Learning (ML) at Moga College, and we would be honored to have your esteemed institution host this event.

Workshop Overview:

Title: Exploring the Future: Artificial Intelligence and Machine Learning

Duration: 5 Days

Proposed Dates: 5 Feb,2024 to 9 Feb,2024

Target Audience: Students

Content Coverage: Basics of AI and ML, Data Handling and Preparation, Advanced ML Algorithms, Introduction to Deep Learning, Practical Applications.

Workshop Objectives:

1. To provide a comprehensive understanding of AI and ML technologies and their applications.
2. To equip participants with practical skills through hands-on sessions and real-world projects.

Proposed Structure:

- Day 1: Introduction to AI and ML
- Day 2: Data Handling and Preparation
- Day 3: Advanced ML Algorithms
- Day 4: Introduction to Deep Learning

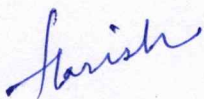

- Day 5: Practical Applications

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of AI and ML. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.

Warm regards,

Head Computer Deptt.
MLM College, Moga.

Dear Sir,

Subject: Acceptance of Invitation to Host 5-Day Workshop on Artificial Intelligence and Machine Learning

I hope this message finds you in good health. I am writing to express our sincere appreciation for inviting us to host the 5-day workshop on Artificial Intelligence (AI) and Machine Learning (ML) at Moga College. We are pleased to accept your invitation and look forward to a productive collaboration.

We are excited about the opportunity to work together on this important initiative. The workshop aligns well with our commitment to advancing knowledge and skills in emerging technologies.

It is further informed that we will be charging Rs. 50,000/- as Workshop fees for the required service. Please Acknowledge.

Thank you once again for the opportunity to collaborate on this workshop. We are confident that this event will be highly beneficial for all the students and look forward to contributing to its success.

Head Computer Deptt.

ML Memorial Polytechnic College

Moga.

5 Days' Workshop Schedule on AI and ML

Day 1: Introduction to AI and ML

9:00 AM – 10:00 AM: Registration and Welcome

- Introduction to the workshop and overview of the agenda

10:00 AM – 11:30 AM: Keynote Session: The Evolution of AI and ML

- Historical context and advancements in AI and ML
- Current trends and prospects

11:30 AM – 11:45 AM: Break

11:45 AM – 1:00 PM: Session 1: Basics of AI and ML

- Definitions and key concepts
- Types of AI and ML

1:00 PM – 2:00 PM: Lunch Break

2:00 PM – 3:30 PM: Session 2: Introduction to Machine Learning Algorithms

- Supervised vs. unsupervised learning
- Common algorithms (e.g., regression, classification)

3:30 PM – 3:45 PM: Break

3:45 PM – 4:30 PM: Hands-On Activity: Building Your First ML Model

- Guided exercise using a simple dataset
-

Day 2: Data Handling and Preparation

9:00 AM – 10:30 AM: Session 3: Data Collection and Cleaning

- Importance of data quality
- Techniques for data cleaning and preprocessing

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 4: Feature Engineering

- Selecting and transforming features
- Feature scaling and normalization

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 5: Data Exploration and Visualization

- Exploratory Data Analysis (EDA) techniques
- Visualization tools and libraries (e.g., Matplotlib, Seaborn)

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: Data Preparation for ML Models

- Practical session on data cleaning, feature engineering, and visualization
-

Day 3: Advanced ML Algorithms

9:00 AM – 10:30 AM: Session 6: Classification Algorithms

- Decision trees, Random Forests, and Support Vector Machines (SVM)

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 7: Regression Algorithms

- Linear Regression, Polynomial Regression, and Ridge Regression

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 8: Clustering Algorithms

- K-Means, Hierarchical Clustering, and DBSCAN

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: Implementing Advanced ML Algorithms

- Applying classification, regression, and clustering algorithms on datasets
-

Day 4: Introduction to Deep Learning

9:00 AM – 10:30 AM: Session 9: Basics of Neural Networks

- Understanding neurons and layers
- Activation functions and loss functions

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 10: Deep Learning Frameworks

- Overview of TensorFlow and PyTorch
- Building a basic neural network

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 11: Convolutional Neural Networks (CNNs)

- Introduction to CNNs and their applications in image processing

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: Building and Training Neural Networks

- Practical session using TensorFlow or PyTorch
-

Day 5: Practical Applications and Project

9:00 AM – 10:30 AM: Session 12: Real-World Applications of AI and ML

- Case studies in various industries
- Ethical considerations and future challenges

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 13: Developing an End-to-End ML Project

- From problem definition to model deployment

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 3:00 PM: Project Work: Group Project Presentation

- Groups work on a mini-project, apply learned techniques, and present their findings

3:00 PM – 3:15 PM: Break

3:15 PM – 3:45 PM: Wrap-Up and Feedback Session

- Summary of key learnings
- Feedback session

Subject: Request to host a 5-Day Workshop on 'Smart Cities and Mobility'

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 5-day workshop on Artificial Intelligence (AI) and Machine Learning (ML) at Moga College, and we would be honoured to have your esteemed institution host this event.

Workshop Overview:

Title: Exploring the Future: Smart Cities and Mobility

Duration: 5 Days

Proposed Dates: 19 Dec,2023 to 23 Dec,2023

Target Audience: Students

Content Coverage: Smart cities and its components, Different types of technologies in multilevel car parking, Utilization of industrial wastes for sustainable construction of low volume flexible pavements, Design and analysis of structures, Transportation System for smart cities, Construction techniques in smart cities.

Workshop Objectives:

1. To promote sustainable and inclusive cities that provide core infrastructure and give a decent quality of life to its citizens, a clean and sustainable environment and application of 'Smart' Solutions.
2. It involves using technology to improve administrative efficiency, transparency, and accountability in city governance.
3. This element focuses on the development of high-quality physical infrastructure.
4. This includes efficient transportation systems, smart buildings, and sustainable energy solutions.
5. Promote sustainable manufacturing practices through additive manufacturing.

Proposed Structure:

- Day 1: Introduction to Smart cities and its components

- Day 2: Different types of technologies in multilevel car parking
- Day 3: Design and analysis of structures
- Day 4: Transportation System for smart cities
- Day 5: Construction techniques in smart cities.

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of Smart Cities. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.

5 Days' Workshop Schedule on 'Smart Cities and Mobility'

Day 1: Introduction to Smart cities and its components (Dec-19,2023)

9:00 AM – 10:00 AM: Registration and Welcome

- Introduction to the workshop and overview of the agenda

10:00 AM – 11:30 AM: Keynote Session: Different types of technologies in multilevel car parking.

- Methodology
- New trends in Engineering

11:30 AM – 11:45 AM: Break

11:45 AM – 1:00 PM: Session 1: Basics of parking construction.

- Definitions and key concepts
- Types of parking's and techniques

1:00 PM – 2:00 PM: Lunch Break

2:00 PM – 3:30 PM: Session 2: Introduction to Equipment's for multilevel parking construction.

- Working of Equipment's
- Efficiency and results

3:30 PM – 3:45 PM: Break

3:45 PM – 4:30 PM: Availability of resources and skilled labour

- Equipment's costs and availability.

Day 2: Durable and Sustainable Development of Structures. (Dec-20,2023)

9:00 AM – 10:30 AM: Session 3: Introduction of sustainable structures.

- Importance of structures.
- Techniques of construction.

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 4: Durability of Structures

- Factors effect the durability of structures.
- Testing of materials and result

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 5: sustainability of structures.

- Definations and important terms

- Method of constructions.

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: structure designing and analysis

- Structures Designing software's
-

Day 3: Utilization of industrial wastes for sustainable construction of low volume flexible pavements (Dec-21,2023)

9:00 AM – 10:30 AM: Session 6: Introduction of waste and pavements.

- Types of waste and pavements.

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 7: Utilization of wastes.

- Generation and recycling solid waste.

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 8: waste Replacement with construction material.

- Waste materials use in road construction.

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Methodology of material testing and usage

- Properties of waste materials match with construction materials.
-

Day 4: Transportation System for smart cities. (Dec-22, 2023)

9:00 AM – 10:30 AM: Session 9: Introduction to transport system.

- Kinds of roads
- Road construction for smart cities.

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 10: Traffic volumes

- Overview of Traffic
- Planning of road maps

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 11: Bridges and flyovers

- Importance of bridges and flyovers in roads.

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Discussion of smart cities roads.

- Types of bridges and flyovers under the road construction
-

Day 5: Construction techniques in smart cities (Dec-23,2023)

9:00 AM – 10:30 AM: Session 12: Planning of Towns

- Selection of areas for particular task
- Planning to control the pollution and traffic

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 13: Developing the roads and railway projects

- Construction of roads and railways without obstruction

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 3:00 PM: Project Work: Group Project Presentation

- Groups work on a mini-project, apply learned techniques, and present their findings

3:00 PM – 3:15 PM: Break

3:15 PM – 3:45 PM: Wrap-Up and Feedback Session

- Summary of key learnings
- Feedback session

Proposal for Installation of Computers in Laboratory.

I hope this letter finds you well. I am writing to present a proposal for the installation of a computer lab at M L Memorial Polytechnic College. Our polytechnic has arranged 120 computers in different labs. Based on the information of 120 computers, I have outlined a comprehensive plan that ensures the delivery of a high-quality computer lab tailored to meet your specific needs.

Scope of Services

1. Software Installation and Configuration

- Install and configure operating systems, productivity software, and specialized applications as required.
- Ensure proper licensing and compliance with software agreements.

2. Training and Support

- Provide training sessions for staff and students on the use of the new equipment and software.
- Offer ongoing technical support and maintenance services to address any issues that arise post-installation.

With reference to our telephonic discussion in regard to Computer Lab Installation Consultancy Services, we request you to install and provide consultancy services.

We request for the Computer Lab Installation Consultancy Services. Also we request you to quote the charges

Thanks & Regards.

Head, Computer Department,
M L Memorial Polytechnic College. Moga

Re: Proposal for Computer Lab Installation Consultancy Services

Dear Sir

This is with reference to letter dated 02/02/2024 in regards to your proposal for Computer Lab Installation. I would like to inform you that our institute can install computer lab as per your stated requirements. Following will be the consultancy charges/Fees

Per computer Installation charges: Rs. 750/-

Total number of computers: 120

Total consultation fees/charges: 90,000/-

The consultancy fee for the complete installation of the computer lab is Rs.90,000/- . This fee covers all aspects of the project, including planning, procurement, installation, configuration, training, and support.

The team members who will develop the application is as

1. Ms. Komal Purba, AP,
2. Ms.Kajal Attri, AP,

The following students will also assist the experts for developing the application

Sr. No.	Roll No.	Name	Class
1	2333520	Vishwakarma Kumar	MCA
2	2333512	Naveen Kumar	MCA
3	2233926	Ana	BCA
4	2234031	Snehdeep Singh	BCA
5	2234032	Sukhraj Singh	BCA
6	2234034	Sumit Singh	BCA

Kindly acknowledge your acceptance and please feel free to contact for queries.

Re: Acceptance of the given proposal

Dear Sir

This is with reference to letter dated 05/02/2024 in regard to your proposal for Computer Lab Installation. I feel delighted and highly thankful to you for your involvement and curiosity to lab development. We accept your request and also pay the consultancy charges (Rs. 90,000/-) after the completion of the installation.

We are thankful to you for sparing your valuable time for lab installation.

Head, Computer Department,

Subject: Request to host a 4-Day Workshop on Research Methodology (Hands on practice of SPSS).

Revered Ma'am,

I hope this letter finds you well. I am writing to you on behalf of **ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 4-day workshop on Research Methodology (Hands on practice of SPSS) at ML Memorial Polytechnic College, Moga, and we would be honoured to have your esteemed institution host this event.

Workshop Overview:

Title: *Exploring the Hands on practice of SPSS*

Duration: 4 Days

Proposed Dates: 22 Jan,2024 to 25 Jan,2024

Target Audience: Students

Content Coverage: Basics of RM, Data collection method, Introduction to SPSS, Research ethics and integrity, Practice of tools and Hands on practice of SPSS.

Workshop Objectives:

1. To provide a comprehensive understanding of RM technologies and their applications.
2. To equip participants with practical skills through hands-on sessions and real-world projects.

Proposed Structure:

- Day 1: Introduction to RM and its methodologies
- Day 2: Data Handling and Preparation
- Day 3: Advanced RM Tools

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of Research methodologies. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.

Warm regards

Head DMS.
MLM College, Moga.

Subject: Request to host a 5-Day Workshop on Applications of Numerical Simulation Tools.

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 5-day workshop on Applications of Numerical Simulations Tools, So Moga College, and we would be honoured to have your esteemed institution host this event.

Workshop Overview:

Title: Applications of Numerical Simulation Tools.

Duration: 5 Days

Proposed Dates: 11 Dec, 2023 to 16 Dec, 2023

Target Audience: Students

Content Coverage: List of Software, Simulations, Base FEA & FVA, Introduction to COMSOL Multiphysics's, Practical Applications in Industries.

Workshop Objectives:

1. To provide a comprehensive understanding of Simulations their applications.
2. To equip participants with practical skills through hands-on sessions and real-world projects.

Proposed Structure:

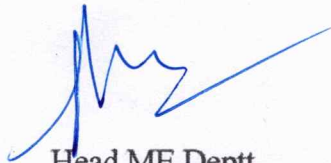

- Day 1: Introduction to Numerical Simulations
- Day 2: Software and its applications.
- Day 3: FEA and FVA basics
- Day 4: Processing time and results discussions
- Day 5: Practical Applications

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of simulations tools. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Subject: Request to host a 5-Day Workshop on Climate Change Mitigation and Adaptation Strategies.

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 5-day workshop on Climate Change Mitigation and Adaptation Strategies so Moga College, and we would be honoured to have your esteemed institution host this event.

Workshop Overview:

Title: Climate Change Mitigation and Adaptation Strategies

Duration: 5 Days

Proposed Dates: 2 JAN, 2024 to 6 JAN, 2024

Target Audience: Students

Content Coverage: Overview of Environmental, Social and Governance (ESG) with special reference to Climate Change, Overview of issues: Climate Change Mitigation and Adaptation, Climate Action through Innovation, Implementation and Inclusive Multilevel Governance.

Workshop Objectives:

- **Understanding the causes and effects of climate change:** Learning about the science of climate change, including its causes, impacts, and methods of mitigation and adaptation
- **Developing an appreciation of the environment:** Understanding the fragility of the environment and how people can be global citizens in the fight against climate change
- **Building a sense of hope:** Learning that solutions to the climate crisis are achievable
- **Understanding climate action:** Learning how climate action fits into the Global Goals

- **Designing and delivering a collaborative project:** Learning how to work together to reduce climate change
- **Developing institutional capacity:** Building the capacity of institutions and human resources to address climate change
- **Establishing research networks:** Encouraging research on the impacts of climate change on important sectors, such as agriculture, health, and natural ecosystems
- **Building alliances:** Collaborating with others to develop research and technology to address climate change

Proposed Structure:

- Day 1: Overview of issues: Climate Change Mitigation and Adaptation incorporating various strategies
- Day 2: Climate Action through Innovation, Implementation and Inclusive Multilevel Governance.
- Day 3: Overview of Environmental, Social and Governance (ESG) with special reference to Climate Change
- Day 4: Audit of Climate Change: Incorporation of Climate Change Issues in the Auditing Roles of SAIs
- Day 5: Audit of Climate Change with special reference to Climate Finance in India

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of Climate Change aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.

Warm regards,

Head ME Deptt.

Dear Sir,

Subject: Acceptance of Invitation to Host 5-Day Workshop Climate Change Mitigation and Adaptation Strategies.

I hope this message finds you in good health. I am writing to express our sincere appreciation for inviting us to host the 5-day workshop on Climate Change Mitigation and Adaptation Strategies. Tools at Moga College. We are pleased to accept your invitation and look forward to a productive collaboration.

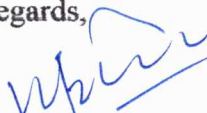

We are excited about the opportunity to work together on this important initiative. The workshop aligns well with our commitment to advancing knowledge and skills in emerging technologies.

We have deputed the following faculty members from ME Department for this task.

It is further informed that we will be charging Rs. 45,000/- as Workshop fees for the required service and detail of faculty/staff member is enclosed here for your reference.

Thank you once again for the opportunity to collaborate on this workshop. We are confident that this event will be highly beneficial for all the students and look forward to contributing to its success.

Best regards,

5 Days' Workshop Schedule

Day 1: Overview of issues: Climate Change Mitigation and Adaptation incorporating various strategies

9:00 AM – 11:00 AM: Registration and Welcome

- Introduction to the workshop and overview of the agenda

11:00 AM – 11:45 AM: Break

11:45 AM – 2:00 PM: Session 1: Climate Change Mitigation

2:00 PM – 2:45 PM: Lunch Break

2:00 PM – 4:30 PM: Session 2: Adaptation incorporating various strategies

Day 2: Climate Action through Innovation, Implementation and Inclusive Multilevel Governance.

10:00 AM – 1:00 PM: Session 1: Climate Action through Innovation, Implementation

1:00 PM – 1:45 PM: Lunch Break

2:00 PM – 4:00 PM: Session 2: Inclusive Multilevel Governance.

Day 3: Overview of Environmental, Social and Governance (ESG) with special reference to Climate Change

10:00 AM – 1:00 PM: Session 1: Overview of Environmental, Social

1:00 PM – 1:45 PM: Lunch Break

2:00 PM – 4:00 PM: Session 2: Governance (ESG) with special reference to Climate Change

Day 4: Audit of Climate Change: Incorporation of Climate Change Issues in the Auditing Roles of SAIs

10:00 AM – 1:00 PM: Session 1: Audit of Climate Change

1:00 PM – 1:45 PM: Lunch Break

2:00 PM – 4:00 PM: Session 2: Incorporation of Climate Change Issues in the Auditing Roles of SAIs

Day 5: Audit of Climate Change with special reference to Climate Finance in India

10:00 AM – 1:00 PM: Session 1: Audit of Climate Change

1:00 PM – 1:45 PM: Lunch Break

Subject: Request to host a 5-Day Workshop on Hybrid Electrical Vehicle

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College**, Moga to propose a collaborative opportunity between our institutions. We are keen to conduct a 5-day workshop on Hybrid Electrical Vehicle at Moga College, and we would be honored to have your esteemed institution host this event.

Workshop Overview:

Title: Exploring the Future: Hybrid Electrical Vehicle

Duration: 5 Days

Proposed Dates: 12 Feb,2024 to 16 Feb,2024

Target Audience: Students

Content Coverage: Different Type of Vehicles ,Working of the Hybrid Electric Vehicle ,Comparison of Hybrid Electric Vehicle with Traditional type Vehicle.

Workshop Objectives:

1. To provide a knowledge of different electrical components and wiring of components in automobile system.
2. To compare harness of wiring used in electric vehicle with other types of automobile system.

Proposed Structure:

Day 1: Introduction to Electric Vehicle

- Day 2: Motor types and propulsion for EV
- Day 3: Motor drive and control strategies for EVs
- Day 4: SoC estimation

- Day 5: Practical Applications

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of Electric Vehicle. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution's objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.

Warm regards,

Head Electrical Deptt.

5 Days' Workshop Schedule on Hybrid Electric Vehicle

Day 1: Introduction to Electric Vehicle

9:00 AM – 10:00 AM: Registration and Welcome

10:00 AM – 11:30 AM: Keynote Session: The Evolution of Electric Vehicle

11:30 AM – 11:45 AM: Break

11:45 AM – 1:00 PM: Session 1: Basics of Automobile System

1:00 PM – 2:00 PM: Lunch Break

2:00 PM – 3:30 PM: Session 2: Introduction to Mechanical System

3:30 PM – 3:45 PM: Break

3:45 PM – 4:30 PM: Hands-On Activity: Article Discussion

Day 2: Motor types and propulsion for EV

9:00 AM – 10:30 AM: Session 3: Motor types and propulsion for EV applications

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 4: Powertrain modeling for EV applications

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 5: MATLAB simulation on motor control, PWM methods

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: MATLAB simulation on motor control, PWM methods

Day 3: Motor drive and control strategies for EVs

9:00 AM – 10:30 AM: Session 6: Motor drive and control strategies for EVs

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 7: Battery technology and BMS

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 8: MATLAB simulation on battery energy saving techniques

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: MATLAB simulation on battery energy saving techniques

Day 4: SoC estimation

9:00 AM – 10:30 AM: Session 9: SoC estimation

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 10: Design dynamics in MATLAB, and AutoCAD

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 2:45 PM: Session 11: Design dynamics in MATLAB, and AutoCAD

2:45 PM – 3:00 PM: Break

3:00 PM – 4:00 PM: Hands-On Activity: Building and Training Neural Networks

Day 5: Role of NEP 2020 in HEI

9:00 AM – 10:30 AM: Session 12: : Handson training on EV drive design

10:30 AM – 10:45 AM: Break

10:45 AM – 12:15 PM: Session 13: : Handson training on EV drive design

12:15 PM – 1:15 PM: Lunch Break

1:15 PM – 3:00 PM: Project Work: Group Project Presentation

3:00 PM – 3:15 PM: Break

3:15 PM – 3:45 PM: Wrap-Up and Feedback Session

Subject: Request to host a 6-Day Workshop on Clean Energy Technologies for Sustainable Development"

Revered Sir,

I hope this letter finds you well. I am writing to you on behalf of **RTGS ML Memorial Polytechnic College, Moga** to propose a collaborative opportunity between our institutions. We are keen to conduct a 6-day workshop on **Clean Energy Technologies for Sustainable Development"** (ML) Moga College, and we would be honored to have your esteemed institution host this event.

Workshop Overview:

- Title: Exploring the Future: Clean Energy Technologies for Sustainable Development
Duration: 6 Days
Proposed Dates: 19 Feb,2024 to 24 Feb,2024
Target Audience: Students
Content Coverage: Sustainable Energy aspects, Renewable and Non-renewable energy sources and their impact on energy scenario, Direct Energy Conversion Devices

TOPICS TO BE COVERED

The present FDP is intended to cover basic elements of Renewable energy and Clean Energy Technologies such as:

- Sustainable Energy aspects
- Parameters to be considered for Energy Crisis
- Renewable and Non-renewable energy sources and their impact on energy scenario
- Clean Energy Conversion Technologies
- Direct Energy Conversion Devices
- Hybrid Energy System

- Hydrogen Production, Storage and Utilization
- Power Plants Marching towards Renewable for Sustainable Future
- Advances in direct energy conversion
- Research Issues on Solar Energy Conversion
- Solar PV system, Solar Thermal Energy Conversion
- Energy System Holistic Approach

We believe that this workshop will greatly benefit the participants by providing them with essential skills and insights into the rapidly evolving fields of **Clean Energy Technologies for Sustainable Development**”

. We would also be happy to discuss any specific needs or adjustments to ensure the workshop aligns with your institution’s objectives.

We kindly request your support in facilitating this workshop at our college and would be grateful for the opportunity to discuss this proposal further. Please let us know a convenient time for a meeting or a call to discuss the details and address any questions you may have.

Thank you for considering our request. We look forward to the possibility of collaborating with Amritsar Group of Colleges and contributing to the academic and professional growth of our students.
