Amritsar: Amritsar Group of Colleges has signed a MoU with ETS to provide comprehensive training to faculty members for the TOEFL, an essential English proficiency test required for admission to foreign universities and other purposes. SVP Higher Education and Work Skills Rohit Sharma said that after the start of the short course, the number of students appearing for TOEFL has doubled.

He acknowledged that India-Canada tensions have had an impact on students going abroad and business in the region and students studying abroad from this region, especially Punjab, mostly go to Canada. He also

gave information about scholarships given to students and efforts to promote TOEFL. Dr. Gaurav Tejpal, Principal, AGC emphasized on AGC's potential to elevate the academic and global prospects of faculty and students through enhanced TOEFL training opportunities. The partnership between Amritsar Group of Colleges (AGC) and ETS marks a

significant step towards enhancing faculty members proficiency in TOEFL training, a crucial requirement for students aspiring to study abroad. Rohit Sharma, SVP Higher Education and Work Skills noted a surge in TOEFL exam takers following the introduction of the short course, despite tensions impacting overseas opportunities, particularly in Canada.

Dear Sir,

Greetings from Youth for Global Peace & Transformation (YGPT)! We obtained your reference from Upasnaji.

Youth for Global Peace and Transformation (YGPT) is the youth wing of Maitribodh Parivaar, a socio-spiritual organization, with a vision of empowering youth to bring about a positive transformation in the society and the world around us. YGPT was founded by Global Humanitarian & Transformation Pioneer - Maitreya Dadashreeji in 2013. Our team, comprising a diverse group of individuals – teachers, lawyers, doctors, artists, corporate professionals and the like are all united by the sole passion of Selfless Service. In the past few years, we have done many welfare activities towards humanity which include green initiatives such as **tree plantation, cleanliness drives and also blood donation drives, food donation drives, blanket distribution, sanitary pad distribution and menstrual hygiene awareness drives etc.**

We strongly believe that youth have the ability and the energy to change the world. Hence, one of the core objectives of YGPT is **Youth Development & Transformation**, i.e., to empower youth who would bring about Transformation in the society and thereby the world at large. We have carried out a large number of youth transformational seminars and discussions.

We have 3 main verticals -

- **Earth Embrace** - Focusing on environmental sustainability and valuing Mother Earth
- **Share some Love** - Carrying out social & community development activities and spreading love & goodness
- **Youth Development** - Conducting youth seminars and activities by proficient mentors to channelize them and also youth counselling.

The brochure for all our activities has been attached for your kind reference. We are also sharing the profile of the speaker as per your discussion with Upasnaji.

Kindly let us know if you have any queries. Looking forward to a long term collaboration with you.

Thank You!

Best Regards,
