There were two forenoon and one afternoon sessions each day managed by the main speaker, Mr. Jatinder Narula . The evening session from 4:00 pm to 5:00 pm was utilized for sharing and as Q & A session.

DAY 1

The FDP started on 16th November, 2023 with the inaugural function. Ms. Kajol Manan (Assistant Professor, Department of Applied Sciences) welcomed the gathering. Inaugural address was delivered by Dr, Rajneesh Arora Sir (Managing Director, AGC) and Dr. Gaurav Tejpal Sir (Principal, AGC). After the Lamp lighting ceremony function, Mr. Jatinder Narula (Resource Person, UHV-I FDP) gave an overview about the Programme.

DAY 2

On Day 2, the main points covered were: The self is central to human existence. The body is just an instrument; harmony in the self is realized when there are no contradictions in the imagination and all imagination is in accordance with natural acceptance. Basic human aspiration is to have continuous happiness and prosperity. Trust is the foundational value in relationships along with other eight values. The concept of difference between response and reaction, competition and excellence were also discussed.

DAY 3

On Day 3, The main points covered were: Respect means right evaluation with a feeling of trust on intention. Naturally acceptable feelings in relationship: Trust, Respect, Affection, Care, Guidance, Reverence, Glory, Gratitude and Love. Understanding Harmony in the society and nature; interconnectedness, self-regulation and mutual fulfillment among the four orders of nature, realizing existence as co-existence at all levels. After sharing the content there was a sharing session by the participants in which they expressed their thoughts and interest whether they will continue the process of self-exploration or not.

During self-exploration based on the sessions, the participants put forward many points. Some examples include:

1. UHV cannot be taught, it has to be practiced
2. Realization of importance to self and relationships
3. Right understanding and the feeling of trust will help in improving the competence of our own self and that of others.

The FDP ended on 18th November with a valedictory function.

OUTCOME OF FDP

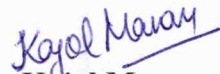

Participants got clarity on the UHV contents of AICTE teaching material. This will surely help them in gaining confidence for effectively conveying the UHV content to students and also for themselves to lead a holistic value based life. This was clearly observed in the feedback session and the sharing sessions. Participants had fruitful 3 days experience while attending FDP. Team NCC-IP expressed their sincere appreciation for conducting the programme in a well organized manner by the UHV Cell, AGC. All the participants committed that they would continue their UHV journey after observing some positive changes in their personal life which they believe would definitely be reflected in all walks of life. This may be considered as the real success of the three days face to face FDP.
