

YEARLY STATUS REPORT - 2020-2021

Part A

Data of the Institution

Part A	
Data of the Institution	
1.Name of the Institution	AMRITSAR COLLEGE OF ENGINEERING AND TECHNOLOGY
• Name of the Head of the institution	Dr. Vijay Kumar Banga
• Designation	Principal
• Does the institution function from its own campus?	Yes
• Phone No. of the Principal	8196952000
• Alternate phone No.	01835069536
• Mobile No. (Principal)	8196952000
• Registered e-mail ID (Principal)	principal@acetedu.in
• Address	12 Km Stone, NH-3, Grand Trunk Road, Meharbanpur, Punjab 143109
• City/Town	Amritsar
• State/UT	Punjab
• Pin Code	143109
2.Institutional status	
• Autonomous Status (Provide the date of conferment of Autonomy)	19/06/2014
• Type of Institution	Co-education
• Location	Urban

• Financial Status	Self-financing				
• Name of the IQAC Co-ordinator/Director	Dr. Paramjit Singh				
• Phone No.	01835010434				
• Mobile No:	9855861155				
• IQAC e-mail ID	pspannu.me@acetedu.in				
3.Website address (Web link of the AQAR (Previous Academic Year)	https://agcamritsar.in/aqr-reports.php				
4.Was the Academic Calendar prepared for that year?	Yes				
• if yes, whether it is uploaded in the Institutional website Web link:	https://agcamritsar.in/				
5.Accreditation Details					
Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	B	2.91	2012	21/04/2012	21/04/2016
Cycle 2	A	3.05	2016	05/11/2016	05/11/2021
6.Date of Establishment of IQAC			06/06/2012		
7.Provide the list of Special Status conferred by Central and/or State Government on the Institution/Department/Faculty/School (UGC/CSIR/DST/DBT/ICMR/TEQIP/World Bank/CPE of UGC, etc.)?					
Institution/ Department/Faculty/School	Scheme	Funding Agency	Year of Award with Duration	Amount	
Nil	Nil	Nil	Nil	Nil	
8.Provide details regarding the composition of the IQAC:					
• Upload the latest notification regarding the composition of the IQAC by the HEI	View File				
9.No. of IQAC meetings held during the year	4				

<ul style="list-style-type: none"> Were the minutes of IQAC meeting(s) and compliance to the decisions taken uploaded on the institutional website? 	Yes	
<ul style="list-style-type: none"> If No, please upload the minutes of the meeting(s) and Action Taken Report 	No File Uploaded	
10. Did IQAC receive funding from any funding agency to support its activities during the year?	No	
<ul style="list-style-type: none"> If yes, mention the amount 		
11. Significant contributions made by IQAC during the current year (maximum five bullets)		
<p>Conducted academic audit each semester for maintaining standardization in academics .</p>		
<p>Conducted Seminars/ Workshops/ Trainings etc. to promote quality, research Development.</p>		
<p>Conducted various awareness programmes and outreach activities.</p>		
<p>Collected feedback from students, teachers, alumni, employers and acted accordingly for enhancement of quality education</p>		
<p>Organised Soft Skills and personality development programmes for students.</p>		
12. Plan of action chalked out by IQAC at the beginning of the academic year towards quality enhancement and the outcome achieved by the end of the academic year:		

Plan of Action	Achievements/Outcomes
To enhance teaching methodology through presentations based teaching and also include video based learning.	Implemented SOA practices to fulfil the criteria of Presentation based learning (Video Lectures, Swayam,NPTEL)
Orientation classes and Student Induction Program to newly admitted students	Conducted (2 Weeks)
To conduct Internal Academic Audit	Internal Academic Audit of all departments was conducted by Internal Assessment Committee. Inspection reports were submitted to Principal while Compliance reports were submitted by all the departments.
To upgrade modern methods of teaching	LCD Projectors are being used in the class rooms/Labs Demonstration of practical's done through projectors. Syllabus covered through online videos and PPTs Mini projects based practical subjects
Environment Awareness activity	Frequent tree plantation drives are organised in the college premises. Worked on One Student - One Tree program in institute
To spread awareness about yoga among the students and faculty	Organised Yoga camp in college campus on International yoga day and yoga session to first year students during Induction Program.

13. Was the AQAR placed before the statutory body?	Yes
---	------------

- Name of the statutory body

Name of the statutory body	Date of meeting(s)
Governing Body	23/06/2021

14. Was the institutional data submitted to AISHE ?	Yes
--	-----

- Year

Year	Date of Submission
2021	18/06/2021

15. Multidisciplinary / interdisciplinary

Amritsar College of Engineering and Technology (ACET) has always strived for a multidisciplinary approach in its academic as well as co-curricular activities. Students are encouraged to undergo minor/major projects in the Multidisciplinary/ Interdisciplinary mode by formulating teams from different courses. Students are also encouraged to formulate teams from different disciplines to participate in various events like Hackathons etc. Currently, ACET is in process of revision of its curriculum for students admitted in session 2021-22 and onwards, in which provision will be made to offer minor degrees in the fields other than the parent discipline.

16. Academic bank of credits (ABC):

We have already implemented for our students to take online courses through online mode through National Schemes like SWAYAM, NPTEL etc, and is considering for credits earned against elective courses. Revision of curriculum has been started for year 2021. These revisions are applicable for students admitted in session 2021-22 and onwards. We are in the process of developing a system for executing ABC in true spirit.

17. Skill development:

ACET Amritsar is imparting training to the farmers on new techniques of agriculture through ACET Agrofarm. Farmers/ aspiring candidates are interested in learning the latest techniques of farming, organic farming, mushroom farming etc. ACET Amritsar offers B.Voc courses that are skill-oriented. Students are being trained in the field of hotel management and automobiles through these vocational courses. Students of ACET Amritsar are presently being given hands-on exposure to practical subjects through miniprojects, in which students identify their skills to fabricate some mini-projects and

learn the concepts through experiential learning. ACET is also applying for skill-based certificate courses for the dropout students through which they will be trained on specific skills like mason, bar-bender, fire-safety, electrical fittings, housekeeping etc.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Indian Knowledge system will include knowledge from ancient India to modern India and clear sense of India's future aspiration with regard to education, health and environment. We are also intended to offer minor degree in IKS to our students in the coming years. ACET is in process of revision of its curriculum for students admitted in session 2021-22 and onwards, in which subjects related to Indian knowledge systems will find a due place as elective subjects.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

College was accredited by NBA in the year 2009 and 2016 and is implementing OBE for various programmes specially in engineering courses. We have well defined Program Outcomes (PO), Program Educational outcomes (PEO) and Course Outcomes (CO) on our website and prominent places in the departments. Students are assessed as per OBE attainment model.

20. Distance education/online education:

The affiliating university IKG Punjab Technical University, Kapurthala has selected ACET Amritsar as its learning centre for offering various courses in ODL mode and as its regional centre for offering PG/Ph.D program. Institute has successfully imparted all its courses content delivery in online mode during the Pandemic (COVID-19) and also conducted online examinations successfully by using our own team developed by our own team.

CURRICULAR ASPECTS

1.1 - Curriculum Design and Development

1.1.1 - Curricula developed and implemented have relevance to the local, national, regional and global developmental needs which are reflected in Programme Outcomes (POs), Programme Specific Outcomes (PSOs) and Course Outcomes (COs) of the various Programmes offered by the Institution.

The curricula for various programs have been formulated in accordance with the guidelines of AICTE, PCI, affiliating university, affiliating board involving the stake holder's feedback and are in tune with the vision and mission of the institution. The institution strives to produce quality engineers & technocrats to meet the requirement of diverse industries ranging across infrastructural development, manufacturing, information

technology, pharmaceutical sciences, agriculture sciences, managerial positions including hotel management etc. The curriculum is formulated in tune with the PO's and PSO's and is modified at regular intervals by the Boards of Study (BoS) of each program. The curriculum consists of Humanities, Basic and Engineering Sciences, Professional Core subjects, Open and Professional Electives, Skill Development Courses, Mini-projects, Laboratory Work and Project Work, Institutional & Industrial trainings. Co-curricular and extra-curricular activities aim to inculcate these qualities in order to bring about holistic personality development of students. They also participate in sports activities on a regular basis. Training in technical and soft skills has been imparted to the students under Aptitude & Communication Classes, Pre-placement Activities. Soft Skills involve training in Communication Skills, Quantitative Reasoning, Logic and Aptitude.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates cross-cutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability, and Human Values into the curriculum

The college has been working for the overall development of the

students. Mentorship Program The college has an active Student Mentor Program. Under this program students are guided by theirmentors regarding professional ethics and social responsibility. Students are encouraged to plant one treeevery semester. Human Values and Professional Ethics To instill Moral, Social and Ethical values, the college has introduced a courses on Human Values andProfessional Ethics. This course help students gain a worldview of the self, society and profession. National Service Scheme The college also has a vibrant NSS wing which encourages student participation in programmes like BloodDonation, Swacch Bharat Abhiyan and bringing awareness on renewable energy sources, conservation ofwater and electricity. Gender Sensitization 'Human Values and Professional Ethics' course includes a unit on social responsibility inculcating civicsense and virtues highlighting issues related to the dignity of women at home and workplace. Environment and Sustainability Environmental Studies is an interdisciplinary course. Open Elective Courses under CBCS Courses on Disaster Management, 'Green buildings' , Non-conventional Energy Sources' areoffered as an open elective to understand various types of natural and man-made disasters,significance of green buildingsystems,electricity generation fromsolar, wind, hydro etc.

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses students' learning levels and organises special programmes for both slow and advanced learners.	
<p>The students admitted into this institution are from diverse social, cultural, economic climatic and vernacular backgrounds; their learning capabilities are also different. The institute offers them uniform learning opportunities and assesses their learning through:</p> <ol style="list-style-type: none"> 1. Close observation of their attentiveness and responsiveness in the classrooms and laboratories. 2. Performance in the Mid Session Tests (MSTs) and End-Semester Examinations and 3. Responsiveness to viva-voce questions during continuous evaluation of practicals in the laboratories. 	

Programes for advanced learners:

Challenging assignments and projects

They are motivated to showcase their acquired skills and capabilities by participating in technocultural events

Peer teaching to the slow learners

Programes for slow learners:

The course teachers and the mentors counsel them to free them from inhibitions and instill confidence in them to focus their concentration on studies. The mentors help them to find out the reasons for their poor performance and suggest remedial measures to rectify them.

2.3 - Teaching- Learning Process

2.3.1 - Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

The institute follows a versatile assessment of learning levels of students through a common procedure aided with program specific assessments in addition to the traditional teaching-learning methods. These procedures are dynamic in nature and are updated and innovated to assess the learning in student centric way. The

methodologies adopted for enhancement of Teaching -Learning are as below: 1 Workshops,

2 Guest lecture

3 Seminars

4 Peer learning groups

5 Virtual Lab

6 MOOCs

7 Public Speaking

8 Video Demonstration

9 Review web literature

10 PPT

11 Simulation

Link for additional Information	Nil

2.3.2 - Teachers use ICT-enabled tools including online resources for effective teaching and learning

The programs offered by the institute are all professional programs and demand high level of exposure to the students before they graduate out to the corporate world outside. This calls for the use of ICT enabled tools and resources for effective delivery in the classrooms as well as in the laboratories. Invariably, the instruction plans to deliver a specific course is prepared in advance (i.e. before the commencement of classes in a particular semester). The subject teacher decides the topics that demand use of ICT enabled tools for the effective delivery of the content by the teacher and effective learning on the part of students. As a regular practice, out of the total lectures that are delivered for a course, at least thirty percent lectures are delivered based on ICT enabled tools and resources. The subject teacher uploads the instruction plan in advance to the LMS portal wherein he/she specifically mentions the mode of delivery as 'Chalk and Talk, PPT or Video Lecture'. In addition to this, the LMS portal also enables the teacher to upload notes in pdf format, power point presentations and url or links of external video content. The students are able to download the shared content for their reference. Similar to theory courses, the practical subjects are also delivered using ICT enabled tools and resources. Prior to conduct of some important experiments that involve comparatively greater level of understanding and precautions, videos from appropriate sites like NPTEL are shown and explained to the students by the subject teacher.

Circulars with regard to assigning mentors to mentees	View File

2.3.4 - Preparation and adherence to Academic Calendar and Teaching Plans by the institution

Preparation of academic calendar is an important exercise that is carried out before the commencement of every semester. Academic calendar for any upcoming semester is prepared by the Dean Academic Affairs and approved by the Head of Institute at least one week before the commencement of the scheduled classes for that semester. One pager format of academic calendar is adopted showing in sequence the applicable months of the year in vertical columns. Each monthly column further comprises of three sub-columns showing the date, scheduled program and the cumulative working day from the commencement of classes. All holidays are marked in academic calendar as per the list notified by IKG Punjab Technical University, Kapurthala. All important events are marked that include (i) commencement of classes (ii) slots for Mid Session Tests - MSTs (iii) end of semester (iv) slots for make-up or revision classes (v) slots for practical examinations (vi) preparatory holidays (vii) commencement of end-semester examinations and (viii) preplanned major activities to be organized.

Adherence to Academic Calendar: Course/subject allotment for the semester is prepared by the respective heads of departments and the same is communicated to the faculty. For each course, teaching hours are allocated as per the applicable study scheme. The instruction plan is visible to the students through their dashboard logins with an option to see and download the attached notes and presentations. The awards of MSTs and assignments are also to be uploaded in timely manner for the internal assessment of students.

Upload any additional information	No File Uploaded

2.5.3 - IT integration and reforms in the examination procedures and processes including Continuous Internal Assessment (CIA) have brought in considerable improvement in the Examination Management System (EMS) of the Institution

At the present time, college has developed a complete Learning Management System (LMS) which enabled us to perform efficiently during Semester End Examinations. It is known as AGC-LMS. It has brought revolutionary change in our Examination System where the whole process is producing expeditious results. LMS at AGC has been designed in such a way which is highly helpful for its all stakeholders which includes Principal/COE, Dean Academic Affairs, Deputy Registrar, HODs and most importantly Students for the smooth conduct of Examination System. AGC-LMS facilitates the examination process with Online Filling of Exam Forms, Generation of AdmitCards, Online Attendance Sheets, Online Subject-wise/Day-wise strength of the students, Uploading of Theory-Internal/External & Practical-Internal/External awards, Conversion of marks into grades, Calculation of SGPA, Result declaration in the students' login, Publishing the Result Gazette and Generation of Result Excel Sheets for University Portal.

It is notable that AGC-LMS was highly helpful during the Lockdown period. AGC-LMS enabled us to conduct Online Exams. We conducted the descriptive and MCQs based exams. The team of AGC-LMS has configured the system in such way that it could easily select the random questions for MCQs based exams. We conducted the online Semester End Examinations successfully and smoothly for May-2020, Nov-2020 and May-2021 sessions.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme Outcomes and Course Outcomes for all Programmes offered by the institution are stated and displayed on the website and communicated to teachers and students

Program Outcomes (POs): It represents the knowledge, skills and attitudes the students should have at the end of a course completion of their respective engineering program. **Course Outcomes (COs):** It gives the resultant knowledge and skills the student acquires at the end of each course. **Program Specific Outcomes (PSOs):** These are statements that define outcomes of a program which makes students realize the fact that the knowledge and techniques learnt in this course has direct implication for the betterment of society and its sustainability. Program Outcomes (POs), Program Specific Outcomes (PSOs) and course outcomes are communicated to the stake holders of the program by the following procedures. POs and PSOs are approved by the Department Advisory Committee. POs and PSOs are available in the Institute website (www.agcamritsar.in) POs and PSOs are kept in prominent locations of the campus for staff, students and public view. POs and PSOs are displayed in Department office, Laboratories and Department library. POs and PSOs are communicated to employers and Alumni by sending mail and during the Alumni Meeting. During the class committee meeting and faculty meeting POs and PSOs are reviewed among the students and staff members. Course Outcomes (COs) are framed at department level. The course outcomes and their mapping with program outcomes and program specific outcomes are elaborately discussed. During the discussion of the course, the outcomes of the course are also focused, monitored and evaluated.

2.7 - Student Satisfaction Survey

2.7.1 - Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design its own questionnaire). Results and details need to be provided as a weblink

<https://agcamritsar.in/IOAC-cell.php>

RESEARCH, INNOVATIONS AND EXTENSION

3.1 - Promotion of Research and Facilities

3.1.1 - The institution's research facilities are frequently updated and there is a well-defined policy for promotion of research which is uploaded on the institutional website and implemented

Response: Institute has diversified research facilities available in the premises. Each department has specialized labs which are being updated time to time. The details are available in the institute as:

- Robotics and Industrial Automation
- Big Data Analytics in collaboration with Meridian Digital World, Hyderabad (including One Server (Intel Xeon, 16 GB RAM and 8 TB HDD) and 30 Thin Clients)
- Cyber Security and Cyber Forensics in collaboration with Sedulity Solutions, New Delhi (28 computers with Sedulity Operating System)
- Automobile Engineering
- Advance Wireless Lab with National Instruments also includes Vector Network Analyser (VNA) funded by Department of Science and Technology under Fund for Improvement of S&T Infrastructure (FIST) program.

Institute has well defined Human Resource (HR) policy which defines the ways to promote the research in the institute, and is available with the Heads of the Departments (in hard copy form) and also uploaded on the institutional website. To promote the research, the committee of the following Ph.D faculty members has been constituted which helps the other faculty members for carrying out their research.

3.3 - Innovation Ecosystem

3.3.1 - Institution has created an ecosystem for innovations and creation and transfer of knowledge supported by dedicated centres for research, entrepreneurship, community orientation, incubation, etc.

An eco system has been created in the institution to promote innovation, transfer of knowledge and entrepreneurship. As part of innovation, Entrepreneurship Development Cell (EDC) has been set up in the year 2016 for nurturing innovative ideas from the students. The Entrepreneurship is increasingly recognized as an important driver of economic growth of the country. The aim of Entrepreneurship Development Cell (EDC) at college is to develop and strengthen entrepreneurial qualities among the students for their own ventures. It strengthens the entrepreneurial activities and inculcate the spirit of entrepreneurship among our students of all trades. Even Govt. of India has recognized the importance of entrepreneurship and has introduced programs like 'Make in India' & 'Start-up India'. The College is committed to provide infrastructure, technical support, guidance, mentoring to the students for innovative products and services for the welfare of the society and the nation.

3.6 - Extension Activities

3.6.1 - Extension activities carried out in the neighbourhood sensitising students to social issues for their holistic development, and the impact thereof during the year

Extension activities are encouraged to be taken up by the students in order to fulfill the aspiration of Vision and Mission statements of the institution. We at AGC make our budding aspirants grounded and humane by performing various social activities. We encourage students to participate in co-curricular and extra-curricular activities. Every year the college organizes a Technical Fest PRAYAS and FUSION and in these fests motive is to invite the nearby schools, college students to participate in various activities where they can learn and showcase their talent in technical and non-technical events. The institute has an active NSS wing, which has taken the projects like keeping the nearby villages clean and green by plantation drives. College NSS volunteers visit Wagha Border on the occasion of Raksha Bandan and celebrates the occasion with front line warriors and distribute sweets. The institute also celebrates various National and International Days like Republic Day, Independence Day, Yoga Day, Environment Day, Women's Day etc. All these programs are performed in Institute with the sense to develop the sense of responsibility, accountability, integrity among students and staff members. To inculcate moral Human Values towards achieving the vision and mission of the institution various workshops, guest lectures, FDPs are organized every year in the Institute. Institute also started 'wall of Radiance' built outside the college where our students, staff members collect relief material from their homes and also within the college and participated to provide the relief to poor and needy people of the society.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

The Institute's focus and core ideology is reflected in its Vision, Mission and Quality Policy as shown below:

VISION To produce engineers and professionals with highest caliber by imparting technical education through innovative and analytical approach with an objective to create valuable resources for industry and society.

MISSION To provide latest infrastructure conducive to innovative learning. To establish centres of excellence to enhance academia industry partnership. Focus on specialized practical oriented teaching to develop analytical ability among students. To empower students with the required skills to encourage entrepreneurship and to enhance employability.

PARTICIPATION OF THE TEACHERS IN THE DECISION MAKING BODIES OF THE INSTITUTION Faculty is represented in all decision making bodies of the institute namely; Academic Council, Board of Studies, IQAC etc. While all the HODs and some of the faculty are members of the IQAC, all the faculty in the department is represented in their respective BOS. Most of the faculty members are also members of various other committees viz., Anti Ragging, Grievances Redressal, Industry-Institute Interface etc., which have been constituted with specific functions and responsibilities. Representation of the faculty in all the committees or Quality Assurance Cell is indicative of their participation in the decision making bodies of the Institution.

6.1.2 - Effective leadership is reflected in various institutional practices such as decentralization and participative management

Institute has many committees with different roles for effective implementation of the various academic and non-academic matters. The case study pertaining to College Academic Committee - Teaching Learning Process is mentioned here under to demonstrate decentralization and participative management.

The Chairman & the members of the managing committee are intellectuals, educated and learned personalities. With their influential guidance, the management has accomplished its task of building up a good teaching-learning processes. The management of the institution is highly responsive towards the indispensable needs and aspirations of the faculty and students. The Head of the Department at program level is responsible for assigning the courses to the faculty in the department based on the expertise and need. The HOD as chairman of BOS also discusses introduction of new

courses, revision of content and syllabus of a particular course based on recent developments and requirements with the faculty. At the class room level, one of the teaching faculty members is designated as a Class Coordinator. The Mentor Program is in implementation at the college level for all the students. 20 students are assigned to each faculty member. The smooth functioning is been accomplished with the support of Deans and Deputy Registrar Dean Academics Dean Students' Affairs Dean Placements Dean Admissions Deputy Registrar Secrecy Secrecy Coordinator (concerned with all the conduct of the examinations) ERP Coordinator Placement Coordinator Internship Coordinator Scholarship Coordinator Sports Coordinator Department Society coordinator

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly

Financial planning serves as the main tool for setting up an organization's goals, moving along with the objectives of the institution taking into consideration its financial requirements. It also supports the action plan of the organization. For this purpose, the institution plans and accumulates the right amount of funds by gathering the inputs and requirements from its associated departments. 1. Internal and external audits are being done regularly. The internal audit is done monthly and external audit is done on yearly basis. 2. The Institution has appointed an internal audit team within the organization to cover regular review and vouching of day to day transactions and gives its expert views on each voucher. 3. The internal audit of college is conducted by the competent authority appointed by managing committee. 4. The team conducts audit as per their programme at regular intervals. 5. This process is used to assess an organization's performance or the execution of a process against a number of standards, policies, metrics or regulations. 6. This audit includes examining internal

controls around accounting, financial reporting and IT general controls. 7. Audit team examines validity and reliability of financial, accounting and other data and reports. 8. External Auditors have been appointed by the institution as per the statutory requirement. 9. The External Auditor conducts audit in accordance with the Generally Accepted Accounting Policies/ Principles. 10. Internal audit is conducted by the management periodically. 11. External audit is conducted by Chartered Accountant who along with his team conducts audit.

6.4.3 - Institutional strategies for mobilisation of funds and the optimal utilisation of resources

The main financial resource for the institute is by way of tuition fee. College has a Resource Mobilization Committee which collects data and informs the faculty about the various schemes of state/ centre government/ or other funding agencies. Due to these efforts institute has got grants under: (a) Internal Resources Academic Fee Hostel Fee Transport Fee Interest on FDRs

(b) External Sources Training and Consultancy Research Project Grants Sponsorships

Other external sources of funds are borrowings from the banks. Bank Borrowings are primarily term loans required to create and supplement infrastructure for academic and administrative

functions. Such borrowings are arranged considering the future expansion plans of the college. The Optimization is also achieved by making all purchases through a central purchase committee, which calls for quotations and tenders depending on the amount involved and total transparency is ensured. In fact, optimization is done in all expenditure activities of the college like: Infrastructure: The infrastructure is planned before hand and only required number of buildings are constructed. This exercise includes Academic Buildings, Library, Hostels, Administrative Block etc. Campus Development: Campus development includes construction of roads, providing electricity, water, laying/renovating sewerage lines, plantation, and development of the land etc. Apart from the above the financial resources are utilized for providing the following facilities: 1. Staff:

2. Central Library: funding for Books and Journals. 3. Equipment: for laboratories, special office equipments and modern teaching aids like Multimedia Projectors etc. 4. Student Amenities: Such facilities include canteen, safe drinking water, recreation rooms, common rooms, counseling centres etc.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing quality assurance strategies and processes visible in terms of incremental improvements made during the preceding year with regard to quality (in case of the First Cycle): Incremental improvements made during the preceding year with regard to quality and post-accreditation quality initiatives (Second and subsequent cycles)

IQAC systematize and channelize the AGC's measures and efforts towards academic excellence. The quality parameters for various aspects of the institution are listed below:

- Admission Quality
- Placement Quality
- Admissions for Higher Studies
- Feedback Analysis
- Result Analysis
- Attendance Monitoring
- Alumni Profile

- Workshops /seminars /Conferences organized/ participated
- Awards and recognition to faculty
- Faculty Guiding Ph.Ds
- Remedial Coaching
- Encouragement towards Research
- Auditing of Accounts
- Obtaining Autonomy from UGC
- Accreditation by NBA
- Biometric Attendance for Teaching and Non-teaching staff
- Participation in NIRF Ranking Process.

The following initiatives have been taken up after the formation of IQAC Cell while continuing the above:

- Outcome based education.
- Course Outcomes and their refinement.
- Introduction of open electives and increase in number of professional electives.
- Continues enrichment of Teaching and Learning Process
- Implementation of Induction Program as per model curriculum of AICTE in 2018
- Student Mentorship Program (SMP) for closely monitoring the professional & personal
- development of students and studying at ACET.
- Feedback from stakeholders
- Promoting Technology Enhanced Learning - MOOCs initiatives
- Remedial Classes for weak students to improve their academics
- Tutorials
- Video lectures to enlighten the students.
- Centres of excellence are established to promote research in specific areas.

6.5.2 - The institution reviews its teaching-learning process, structures and methodologies of operation and learning outcomes at periodic intervals through its IQAC as per norms

Teaching Learning Process The institution reviews its teaching learning processes, structure and methodologies of operations

and learning outcomes at periodic intervals through Academic Departments. The IQAC is responsible for developing, coordinating and monitoring academic assessment activities to effect improvement in student learning. All the heads of the departments, deans and nominated teachers are members of the Institute Academic Committee and is chaired by the head, IQAC. The Academic Committee reviews and points out the different gaps in the Teaching Learning Process. The gaps are :

- Skill development courses such as Communication Skills, Soft Skills and Technical Skills
- Entrepreneurship Development Cell
- Certification courses for students and faculty
- MOOCs courses certification.
- Industry-academia gap

The above gaps are filled through introducing new subjects such as Skill Development Course for improving the communication skills and soft skills for enhancement of placements of students, initially as value added courses and later on as credit courses.

At EDC, the students are encouraged to consider self-employment as a career option, providing necessary training. The cell also organizes different activities and events frequently to train and motivate the students on entrepreneurship.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Gender Equity and Sensitization Institute possesses a privileged right to promote higher education and to ensure women's empowerment through gender equity in education. From time to time seminars, workshops, and expert talks, offering key roles in institutional growth have always been initiated by the Institute. May it have been the subjects of 'Role of Education to attain Gender Equality,' 'Women Economic Power', 'Women's Position in Male-Dominated Society,' or the concepts of 'Women Empowerment, Institute has always been the frontrunner. Female employees also get maternity leave. Students apprised of the gender issues during the Orientation/Self Induction Program held for newly admitted students each year. Institute has taken several measures to enhance safety & security on campuses by constituting Internal Grievance Cell, installing CCTV cameras & providing round-the-clock security. The women security guards are also available at Girls' hostels. This system ensures that all female staff, students can move freely on the campus and feel assured that they are secure at all times in the campus. A medical center with qualified doctors and nursing staff is available on campus to provide medical care to the students. Institute also organized training programs, seminars, workshops, etc. on gender equity and sensitization.

7.1.3 - Describe the facilities in the institution for the management of the following types of degradable and non-degradable waste (within a maximum of 200 words)

The primary focus is to reduce, reuse and recycle the waste. The management has also advised refusing anything which is not needed. The Institute has different dustbins to segregate the different waste like solid and liquid etc. Every day the waste is collected in bins and disposed to a place where it can be converted into manure. In addition to this, the Institute has organized many workshops on the implementation of these techniques effectively. Training programs are conducted from time to time about the methodology of disposing of the waste. For solid waste management, different bins have been placed in different departments. Suitable techniques are applied for disposing of solid waste. The garbage generated is preferably treated at the site of generation. For biomedical waste, there is a classification of the waste as hazardous and non-hazardous or infectious and other hazardous. The waste like plastic disposables, liquid waste, and other things are again segregated then collected and kept in storage then transported, and finally sent for the treatment of the disposal. The Institute has organized Swachh Bharat Mission. Under this banner, the utility of recycling solid waste has been elaborated. People from different aspects of life delivered their talks about the proper usage of waste.

The Institute has set up a recycling program to meet the need of

recycling the waste. The Institute is trying to get in touch with the top-level administration and their support to ensure that the waste is properly recycled.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e. tolerance and harmony towards cultural, regional, linguistic, communal, socio-economic and other diversities (within a maximum of 200 words).

The institute is proactively taking efforts in providing an inclusive environment. The initiatives are to promote better education, economic upliftment of the needy, and set communal harmony. The institute also organizes various cultural programs to celebrate the cultural diversity of India. Students from various regional and cultural backgrounds participate in such programs and present their regional or cultural folksongs and dances. These cultural events are organized at different levels - departments, hostels, and on different occasions like Independence Day, Republic Day etc. Apart from the annual cultural event, students also conduct cultural and sports events to cater to linguistic diversity, all students related competitions like Essay Writing, Debate, Declamations etc. are organized. The various departments of the Institute conduct seminars, workshops, and outreach programs to promote communal harmony and tolerance. Various activities like Painting Greeting Cards for Jawans, Freedom Run, Slogan Writing Competition, Essay Writing Competition, Patriotic Song Singing Competition, Lectures by Eminent Personalities, and Mass recitation of National Anthem by all students are exercised and performed. Institute, under the Ministry of HRD-adopted 2 villages near Manawala, Amritsar region to conduct activities for their socio-economic development. Institute has conducted lectures in these villages for increasing their environmental and ethical awareness. The scholarship is also provided to eligible students.

7.1.9 - Sensitization of students and employees of the institution to constitutional obligations: values, rights, duties and responsibilities of citizens:	
<p>India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race and gender. Institute undertakes different initiatives by organizing various activities to sensitize students and employees to the constitutional obligations i.e. values, rights, duties and responsibilities of citizens through celebrations of Republic day, Independence Day, Workshops/ Seminars/ Expert Talks on Universal Human Values and Professional Ethics. Students are made to participate in competitions on Essay Writing, Declamation Contest and Debates etc. to create awareness among them in this area. On all important occasions and functions, National Anthem is played to inculcate the feelings of respect for our nation, its constitution. On Independence Day and Republic Day Flag hoisting ceremony with National Anthem and oath of national integrity is the regular decorum of the institute. 'JAL DIWAS' is celebrated and pledge is taken by all at Institute level in order to develop the sense of responsibility towards saving water for ourselves and for the generation to come. 'Akandh Path' and 'Havan Yagya' are also solemnized in the campus to inculcate communal harmony among AGCians. For the protection of the environment and awareness in this regard, plantation drives are initiated every semester. Birthdays of National Heroes like Mahatma Gandhi, Bhagat Singh and many more are celebrated in order to teach the spirit of patriotism. Different activities like Debate, Quiz, Essay Writing and Sketching Competitions are organized to celebrate the special days.</p>

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Institute believes in celebrating events and festivals in college. Our college celebrates National and International days enthusiastically every year. All staff members and students gather in the college to celebrate these days. Celebration of cultural and constitutional festivals is an integral part of the college's co-curricular activities. Throughout the session, different days are celebrated by students with the guidance of teachers which helps them to know about different cultures and to cognitively imagine India as a nation. The academic calendar is brimming with important events which show the enthusiasm of this institution in celebrating many national as well as international days and commemorative events and festivals. Republic day is celebrated every year on 26th January in the college with great enthusiasm and pride. Besides these two national days, a number of other national and international days are also celebrated in our institution so that students get knowledge about the great personalities in our political, social, cultural, and scientific history such as Mahatma Gandhi, Sardar Vallabhbhai Patel etc. International Women's day

is also celebrated in our college on 8th March every year. Various days like World Environment Day, International Yoga Day, Independence Day, Republic Day, International Women's Day, National Science Day, Anniversaries of Dr. Sarvapalli Radhakhishnan, Engineer Day, Mahatma Gandhi Birthday, and Children's day also celebrated. The college also believes that education will allow the students to bloom, blossom giving them the right platform where they will work towards becoming responsible citizens.

7.3 - Institutional Distinctiveness

7.3.1 - Highlight the performance of the institution in an area distinct to its priority and thrust (within a maximum of 200 words)

ACET, Amritsar is a self-financed, quality-conscious, and trend-setting Institute with a focus on providing equal opportunities for the development of human potentials for every segment of society. The Institute is situated in the border belt of the state of Punjab over about 10.5 acres of land and has the best infrastructure and academic facilities with highly qualified and experienced staff. The Vision of this Institute is to "Produce

Engineers with the highest caliber by imparting technical education through an innovative and analytical approach with an objective to create valuable resources for industry and society". The measures of the successful implementation of the teaching-learning process and realization of our vision ultimately can be monitored by evaluating the successful outcomes of the graduates in terms of their placements, higher education, or pursuing entrepreneurship. Institute has a Student Mentorship Program (SMP) under which around 20 students are assigned to a faculty member right at the time of admission, who would be monitoring students' performance during the complete course of the student. Professional English and Aptitude Courses have been introduced to improve the communication skills of the students and aptitude for their better placements. To build confidence in the students, various societies and chapters were established in the college like the Students Chapter of Indian Society for Technical Education (ISTE), Chapter of Society for Automotive Engineers (SAE) etc. The Institute has a NSS unit in its campus which organizes activities to address social problems.

7.3.2 - Plan of action for the next academic year

- To strengthen our collaborative degree programs with foreign universities
- To start skill based courses as per the demand of industry.
- To increase Institution-Industry Interaction more in the successive years.
- To increase more number of Ph.D faculty in various departments.
