1. Copyright Declaration

The undersigned author(s) hereby declare that the manuscript entitled “_____” submitted to the *Journal of Intelligent Manufacturing and Advanced Materials* is an original work and has not been published previously, either in whole or in part, in any journal, book, conference proceeding, or other publication, except where appropriately acknowledged and cited.

The author(s) confirm that:

1. The manuscript is the original work of the stated author(s).
2. The manuscript is not currently under consideration for publication elsewhere.
3. All sources, data, figures, tables, photographs, and other materials obtained from third parties have been appropriately acknowledged.
4. The author(s) have obtained the necessary permissions for the reproduction of any copyrighted material that is not owned by the author(s).
5. The manuscript does not contain any material that is unlawful, defamatory, plagiarized, or infringing upon the intellectual property rights of others.
6. All authors have read and approved the final version of the manuscript and agree to its submission and publication.

2. Copyright Transfer / Publishing Rights

Upon acceptance of the manuscript for publication, the author(s) grant the **Journal of Intelligent Manufacturing and Advanced Materials (JIMAM)** and its publisher the necessary rights to publish, reproduce, distribute, communicate, archive, and make the article available in print and/or electronic formats, subject to the journal's applicable publishing and licensing terms.

The author(s) retain the rights permitted under the journal's applicable copyright and licensing policy, including the right to use the work for academic, educational, and research purposes, provided that the published version is appropriately acknowledged and cited.

3. Third-Party Material and Permissions

The author(s) confirm that permission has been obtained for all third-party copyrighted material included in the manuscript, including but not limited to:

- Figures and illustrations
- Tables
- Photographs
- Graphs and diagrams
- Text excerpts
- Adapted or reproduced material
- Previously published content

4. Author Rights and Responsibilities

The author(s) understand and agree that:

- The responsibility for obtaining permissions for copyrighted third-party material rests with the author(s).
- The author(s) remain responsible for the accuracy and integrity of the submitted work.
- Any substantial modification to the manuscript after acceptance may require approval from the journal.
- Proper acknowledgement must be given whenever the published work or substantial portions thereof are reused.
- Publication of the manuscript does not imply endorsement of its contents by the journal or publisher.

5. Originality and Ethical Declaration

The author(s) certify that the manuscript complies with generally accepted standards of research and publication ethics. The author(s) further confirm that there is no plagiarism, duplicate publication, unauthorized use of copyrighted material, or undisclosed conflict of interest associated with the manuscript.

Where applicable, all necessary ethical approvals, permissions, and consents have been obtained before conducting and reporting the research.

6. Author Agreement
