Memo No. KVK/2019: 212-215

Dated: 25-02-19

Subject: Invitation for Kisan Mela on 6th March, 2019 (Wednesday) at KVK, Nag kalan-Jahangir, Majitha Road, Amritsar

It is a great pleasure to inform you that Punjab Agricultural University, Ludhiana (PAU) is organizing a Kisan Mela on **6th March, 2019 (Wednesday)** at KVK, Nagkalan-Jahangir, Majitha Road, Amritsar from 8:00 A.M to 4:00 P.M. Thousands of farmers/farm women are likely to participate in the Mela to know about the new agricultural technologies developed by the University. More than 80 stalls of different agriculture related firms and allied departments of Agriculture will put their exhibitions during this event. Sale of seeds/fruit plants of improved varieties and agricultural publications etc. shall be arranged during the Mela. A Technical Session by the PAU scientists on various agricultural problems specific to the region is also arranged on this occasion.

I, therefore, request you to send your staff and students. Also persuade your staff members and students to give wide publicity so that maximum number of farmers may participate on this occasion.

(B S Dhillon)

Invitation to the event: Emerging Trends in Technology

Expert: Mr. Sakshi Goswami

No. of participants: 20

Output:

"Session on Emerging trends in Technology by our alumni Ms. Sakshi Goswami(Senior Business Consultant) at Deloitte, USA on 16th May, 2020 at 10 a.m. via Zoom App.

The webinar gives a good insight into emerging trends in technology and the explanation was full of real-life examples to ensure student's interest . Students thoroughly enjoyed it and the takeaways of the session will help them to excel in technical industry.

Students were eager to know about change in trends after pandemic and which technologies would have more scope after pandemic. She emphasised on utilising time of lockdown to enhance their technical skills as more jobs would be heading towards India after pandemic".

DEPARTMENT OF MANAGEMENT STUDIES

SUMMARY OF GUEST LECTURES 2020 & 2021

Sr. No.	Title	Guest Lecture/Webinar (Delivered By)	Date
1.	<p>Guest lecture on “Trends in Stock Market”</p> <p>This guest lecture gave an insight to the students regarding primary market and secondary market and also about the trends in the Stock Market and also about the practical framework of capital market.</p>	Mr. Ramandeep Singh	24 th Feb 2020
2.	<p>Guest lecture on “Banking scenario in India”</p> <p>This guest lecture provided knowledge to the students regarding the types of banks in India and about the recent scenario of banking system in our country.</p>	Prof. Prabal K Sen	26 th Feb 2020
3.	<p>Guest lecture on “SPSS Software”</p> <p>This guest lecture upgraded the students with the SPSS Software to be used during the preparation of final research projects of final year students. The lecture amplified students’ knowledge about SPSS Software which is software mainly used for research purpose and surveys that can help students process critical data in simple steps.</p>	Prof. Gursimranjeet Singh	5 th May 2020
4.	<p>Guest lecture on “Capital market awareness programme”</p> <p>Department of Management Studies successfully conducted the Webinar on "Capital Market Awareness Program" wherein students got an insight into Stock Market and the benefits an investor can have investing in Stocks. The students also got an exposure regarding Capital Market in the current situation of Covid 19 crisis.</p>	Mr. Amogh Gothoskar	19 th Sep 2020
5.	<p>Guest lecture on “Investor awareness programme”</p> <p>Department of Management Studies successfully conducted Webinar on</p>	Mr. Abhishek Datta	20 th Oct 2020

	"Investor Awareness Programme" a SEBI mandate initiative by NCDEX delivered by Mr. Abhishek Datta Senior Executive NCDEX for the students of MBA,BBA and BCOM by providing the students knowledge about different investment avenues in today's era.		
6.	<p>Guest lecture on "Functions & working of RBI"</p> <p>Department of Management Studies successfully conducted Webinar on "Functions and Working of Reserve Bank of India and Monetary Policy" by RBI Chandigarh wherein 90 students from MBA,BBA and BCOM attended the session and got an insight into the working of RBI.</p>	Ms. Shikha& Ms. Pallavi	2 nd Nov 2020
7.	<p>Guest lecture on "Latest changes in SEBI Guidelines"</p> <p>Department of Management Studies successfully conducted a Webinar on latest changes in SEBI guidelines and empowered India for the students of MBA,BBA and BCOM.</p>	Mr. Jubin Mehta	18 th Nov 2020
8.	<p>Guest lecture on "Investment awareness programme"</p> <p>It gave the students an insight into the various investment options available to an Indian investor</p>	Mr. Ramandeep Singh	28 th Dec 2020
9.	<p>Guest lecture on "Consumerism & Financial literacy"</p> <p>It enlightened the students by providing them knowledge of Consumers in the market,their protection rights and also gave them financial literacy.</p>	Mr. TR Pandey& Mr. HardeepKaur	5 th May 2021
10.	<p>Guest lecture on "Financial Awareness"</p> <p>Department of Management Studies successfully conducted webinar on "Financial Awareness" by Mr. Surya Kant Sharma,Senior Consultant (Association of Mutual Funds of India) and Mr. Anup Aggarwal (Manager- National Securities Depositories Ltd) wherein 300 participants attended the webinar with active participation.It was a knowledgeable experience for all which provided knowhow with a blend of Capital formation along with sustaining a financial well being to the participants.</p>	Mr. Surya Kant & Mr. AnupAggarwal	20 th May 2021

11.	<p>Webinar on "Blue Ocean Strategy"</p> <p>Department of Management Studies successfully conducted webinar on "Blue Ocean Strategy" by Dr. Suresh Kumar Dhameja, Professor and Head of the Department of Entrepreneurship Development and Industrial Coordination at National Institute of Technical Teachers Training & Research(NITTTR), Chandigarh. It was a knowledgeable experience for all the participants wherein Dr. Dhameja showed importance of a "Start Up" focussing on Entrepreneurship in an incompetent market segment.</p>	Dr. Suresh Kumar Dhameja	8 th June 2021

College Address :- 12 km Stone, Amritsar Jalandhar G.T. Road, Amritsar 143001, Punjab, India

Expert: Er. Rajbir Singh

No of Participants: 344

Outcome: The students learned different mechanism in an automobile like Transmission, suspension system steering system chassis and Frames etc

Invitation to the TECH QUIZ 2020

The poster is for the TECH QUIZ 2020, organized by AMRITSAR GROUP OF COLLEGES, DEPARTMENT OF MECHANICAL ENGINEERING. It features a blue and orange color scheme. At the top left is the AMRITSAR logo. To its right is a banner that says 'Think You Know All About The Automotive World Lets See, Shall We?'. Further right is the MEFF logo with the tagline 'Mechanical Engineers For Future'. The central text reads 'Proudly Presents TECH QUIZ 2020' in large red letters, followed by 'BASED UPON CURRENT AUTOMOBILE TECHNOLOGIES'. Below this, it says 'FREE REGISTRATION' and '(Last Date To Register-22nd October,2020)'. A QR code is provided for registration. On the left, a blue car is shown with a blue glow, and a tag says 'E-CERTIFICATES For All.'. On the right, a circular clock shows '24 OCTOBER'. At the bottom, there is a table of contact information for Harbans Lal, Jatinder Kumar, Danish Malhotra, and Er. Inderjeet Singh Sodhi. The bottom of the poster also includes social media handles for meff2004@gmail.com, @saeindia.acet, @spark_racers5, and @AGCMechanical, along with a gear graphic.

Subject: Invitation and confirmation for guest letter.

Sir,

With reference to our conversation, I am extremely thankful to you for graciously agreeing to conduct an ONLINE Guest Lecture for faculty and students of our college on 19.11.2020, at 2.30 pm as part of National Pharmacy Week Celebration.

I am sure that the faculty and the students will be highly benefited by interaction with an outstanding personality of your eminence.

Kindly confirm the timing of your programme so that we can make necessary arrangements.

We are anticipating your reply and looking forward to listening to your knowledgeable lecture.

Thanking you.

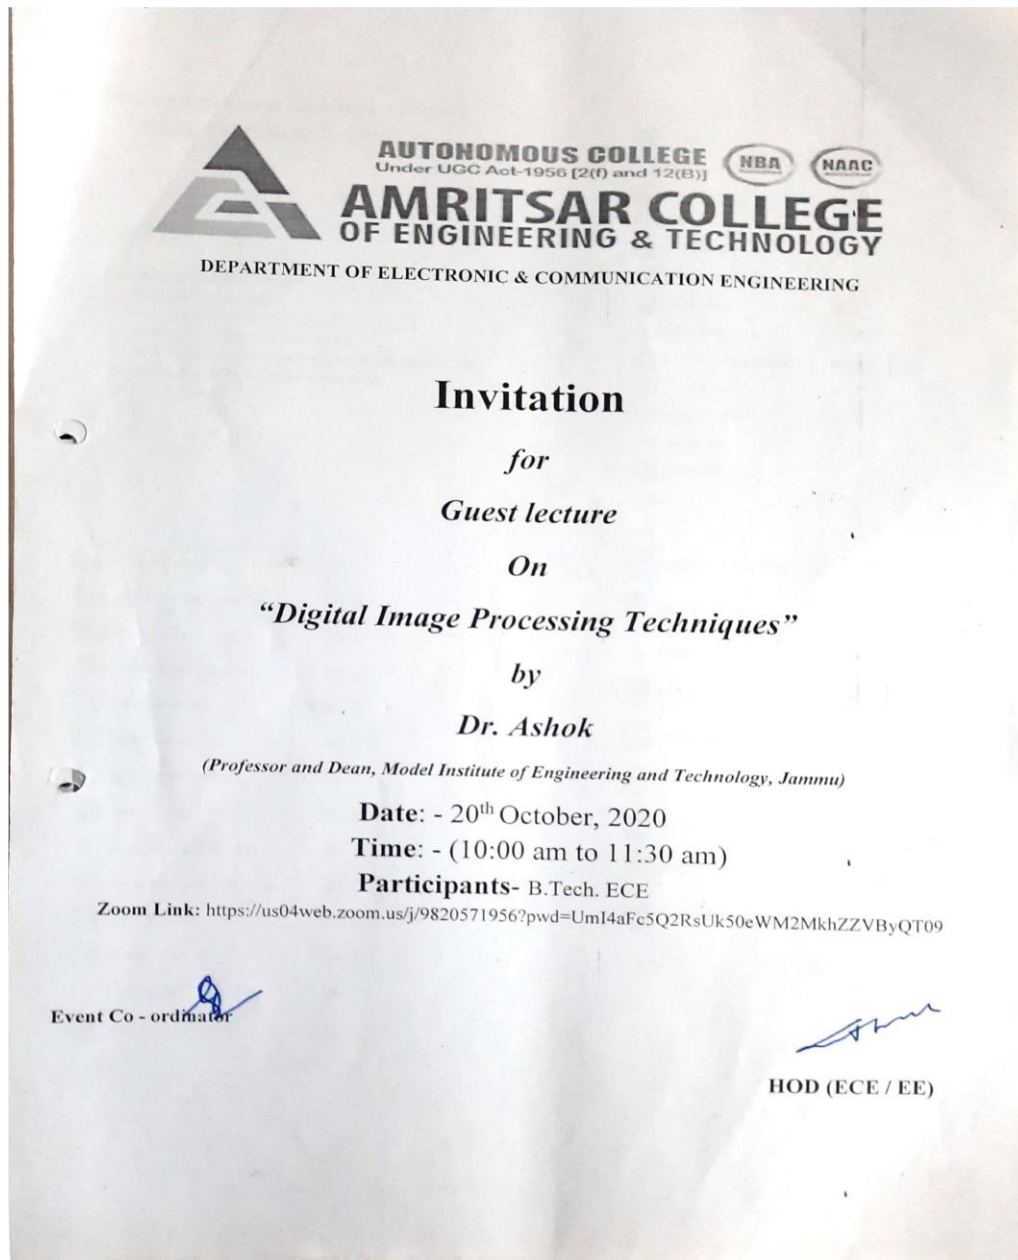

Regards.

Dr. Sachin Saggar

Principal

Amritsar Pharmacy College, Amritsar

DEPARTMENT OF ECE / EE

Outcome: Digital image processing deals with manipulation of digital images through a digital computer. It is a subfield of signals and systems but focus particularly on images. DIP focuses on developing a computer system that is able to perform processing on an image. The input of that system is a digital image and the system process that image using efficient algorithms, and gives an image as an output. The most common example is Adobe Photoshop. It is one of the widely used application for processing digital images.

HOD (ECE / EE)

Outcome: VLSI affords IC designers the ability to design utilizing less space. Typically, electronic circuits incorporate a CPU, RAM, ROM, and other peripherals on a single PCBA. However, very large-scale integration (VLSI) technology affords an IC designer the ability to add all of these into one chip.

Outcome: Within a short space of time, automation practices have become an integral part of the overall process of many industries, particularly, the instrumentation and electrical industry. The importance of PLC in automation is becoming more and more apparent, and necessary. PLC and SCADA are used extensively in oil and gas facilities, mineral processing, chemical, factory automation, brewing, water and sewage treatment plants, they are used for flexibility, modularity and reliability. There are specific features of PLC's that make them the preferred choice for industries.
