

Grievance Redressal Committee for Male & Female cum Anti Sexual Harassment

Grievance Redressal mechanism is formed as an integral part of any institution. No institution can claim to be accountable, responsible unless it has established an efficient and effective grievance Redressal system.

The college had constituted 'male & female' grievance cell to offer suggestions to the management in all matter connected with the male & female welfare such as transport, canteen facility and all other problems of men and women of the college. The member of the committee will meet as and when the need arises and forwards their recommendation to the principal and management for further action.

Grievance Redressal Committee has been constituted at our institution with the following faculty members:
