MEMORANDUM OF UNDERSTANDING BETWEEN
AMRITSAR GROUP OF COLLEGES, AMRITSAR
AND
VMM EDUCATION, AMRITSAR

VMM Education's journey started in January 2005 with a vision of bringing computer education of global standard to the holy city of Amritsar. To turn this dream into reality we create a talent pool of bright young minds who would power the engines of growth of the global economy. Today seven years later VMM Education or VMM, as it is popularly known, is the largest and the most trusted computer centre in the region, with an annual turnout of more than 1000 students. The reason for the success of VMM is simply the "Hard work" that our team has put in these seven years.

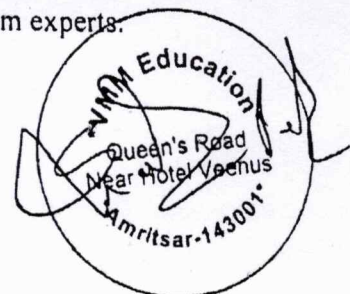

VMM Education provides world-class training in global technologies such as .Net and Linux, while keeping our syllabus up to date with the current industry standard. We have managed to successfully train more than 7000 engineers who are currently working in Global Multinationals like TCS, Tech Mahindra, Infosys, CSC etc.

VMM is today the favorite choice of students of various engineering colleges for pursuing their six months or six weeks of industrial training. A unique "industry-endorsed curriculum," crafted by professionals of VMM which enhances the job-readiness and employability of learners and equips them for the IT Industry.

Whereas, AMRITSAR GROUP OF COLLEGES (formerly known as AMRITSAR COLLEGE OF ENGINEERING & TECHNOLOGY, AMRITSAR (ACET, AMRITSAR) is affiliated to IKGPTU Jalandhar (Inder Kumar Gujral Punjab Technical University Jalandhar). ACET was established in this holy city of Amritsar in 2002. The college has the distinction of being accredited by NBA (National Board of Accreditation) and NAAC (National Assessment and Accreditation Council) in the year 2009, 2016 and 2012, 2016 respectively. ACET became first private Autonomous Engineering College of state University (Govt.) in Punjab by UGC New Delhi on 19th June 2014. AGC possess world-class environment with highly qualified and experienced faculty, fully – equipped labs, providing quality education, good infrastructure and excellent placements in top multinational brands.
