

An 'anti-drug committee' comprising of the following faculty/staff is hereby constituted for the session 2022-2023. The objective of an anti-drug committee in a hostel is to create and maintain a drug-free environment, ensuring the safety, health, and well-being of all residents. Below are the specific objectives of the committee.

**Prevention and Awareness:** Educating hostel residents about the dangers of drug use and abuse through workshops, seminars, and informational materials.

**Policy Enforcement:** Implementing and enforcing strict anti-drug policies, including regular checks and clear consequences for violations.

**Support and Counseling:** Providing support and resources for individuals struggling with drug-related issues, including access to counseling and rehabilitation services.

**Community Building:** Fostering a supportive and positive community atmosphere that discourages drug use and encourages healthy lifestyle choices.

**Collaboration:** Working with local authorities, healthcare providers, and educational institutions to strengthen anti-drug initiatives and ensure a comprehensive approach.

**Monitoring and Evaluation:** Regularly assessing the effectiveness of anti-drug strategies and policies, and making adjustments as needed to improve outcomes.
