The Member Secretary extended a formal welcome to all members of the committee. The members were invited to participate in discussion and mutual deliberations on the various agenda items mentioned below;

Agenda Item: 34.1Action taken report of 33rd meeting**Proceedings:**

With reference to the deliberations held in the previous meeting regarding the requirement of maintaining a separate accession register and exclusive book collection for the Department of Pharmaceutical Sciences in compliance with the guidelines of the Pharmacy Council of India (PCI), the following action has been taken:

The matter was further deliberated upon in the 32nd Meeting of the Heads of Departments, wherein concerns raised during the PCI inspection were discussed. In this regard, the worthy Principal Dr. Gaurav Tejpal Sir directed that the books pertaining to the Department of Pharmaceutical Sciences shall continue to remain integrated within the Central Library, and no separate accession register or segregated collection shall be maintained.

Subsequently, the same matter was placed before the 34th Meeting of the Library Committee, wherein the decision of the worthy Principal Sir was reiterated and discussed in detail. All members of the Committee unanimously agreed to the said decision.

Accordingly, it is reported that the books of the Department of Pharmaceutical Sciences are being accessioned and maintained within the existing accession register of the Central Library. This practice has already been in implementation since the year 2023 and shall continue henceforth.

Thus, the matter stands resolved and closed.

Agenda Item: 34.2

Recommendation for Budget 2026-27

Proceedings:

The members of the Committee deliberated in detail on the budget requirements for the financial year 2026–27. Various aspects, including existing resource allocation, anticipated academic and infrastructural needs, and requirements of different departments, were thoroughly discussed.

After due consideration, the Committee recommended the proposed budget for the year 2026–27 (copy attached herewith), with necessary provisions to support academic growth, library resources, and institutional development.

The recommendations were finalized for further submission to the competent authority for approval.

Agenda Item: 34.3

Demo of the newly developed app of the Central Library

Proceedings:

A demonstration of the newly developed mobile application of the Central Library was presented before the Committee. The features, functionality, and intended benefits for students and staff were explained in detail.

The members appreciated the initiative and offered valuable suggestions and inputs for further improvement in terms of usability, accessibility, and overall functionality of the application.

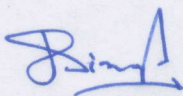

After detailed deliberations, it was recommended that the suggested modifications be incorporated. Upon implementation of the necessary changes, the application may be formally circulated among all students and staff members for registration, membership, and effective utilization.
