	Date: 16.10.2025	

**MINUTES OF THE 2ND MEETING OF BOARD OF STUDIES
 (16-10-2025)**

The 2nd Meeting of Board of Studies in Department of Pharmaceutical Sciences, Amritsar Group of Colleges was held on 16th Dec, 2025 at 4:00 PM in hybrid mode.

Minutes of meetings are as follows:

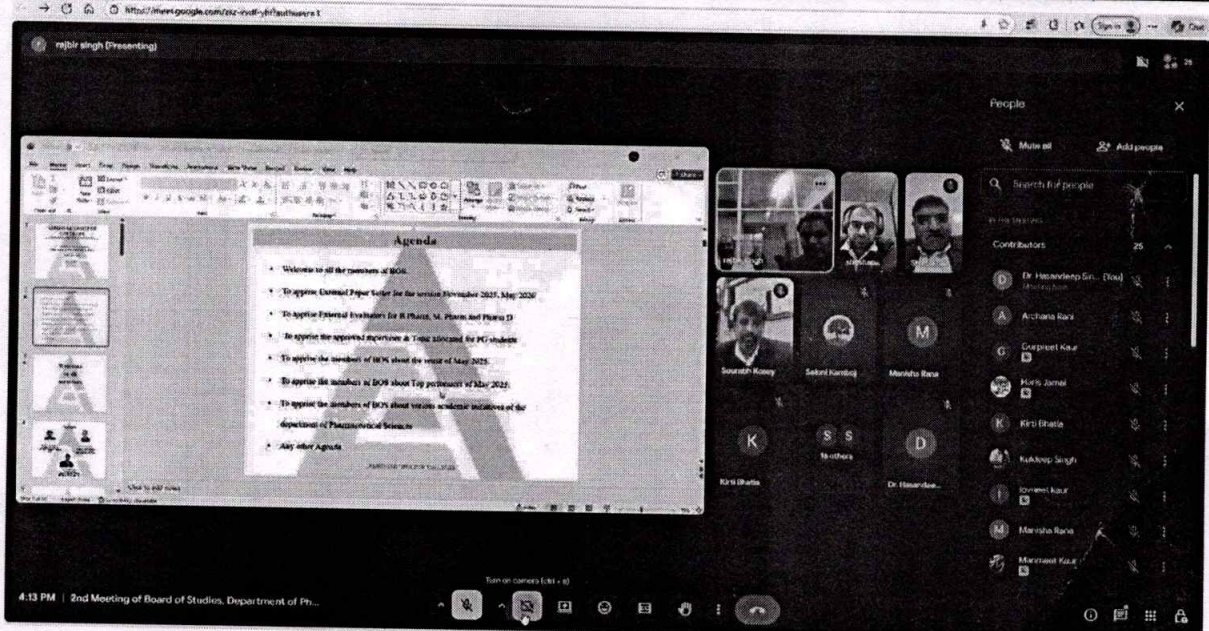

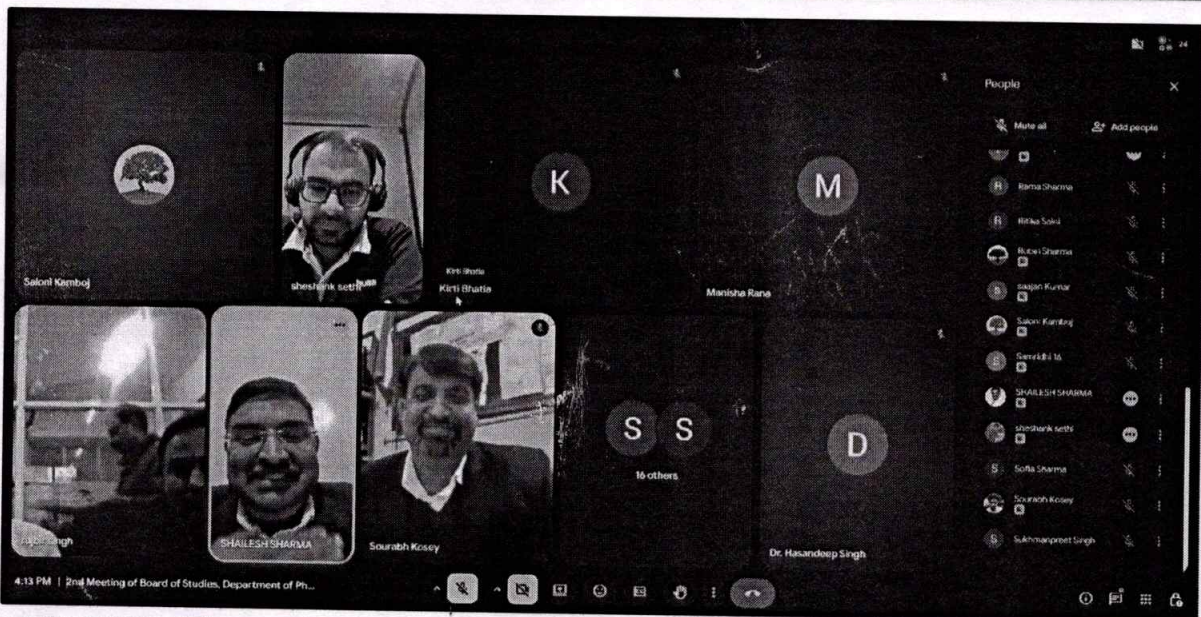

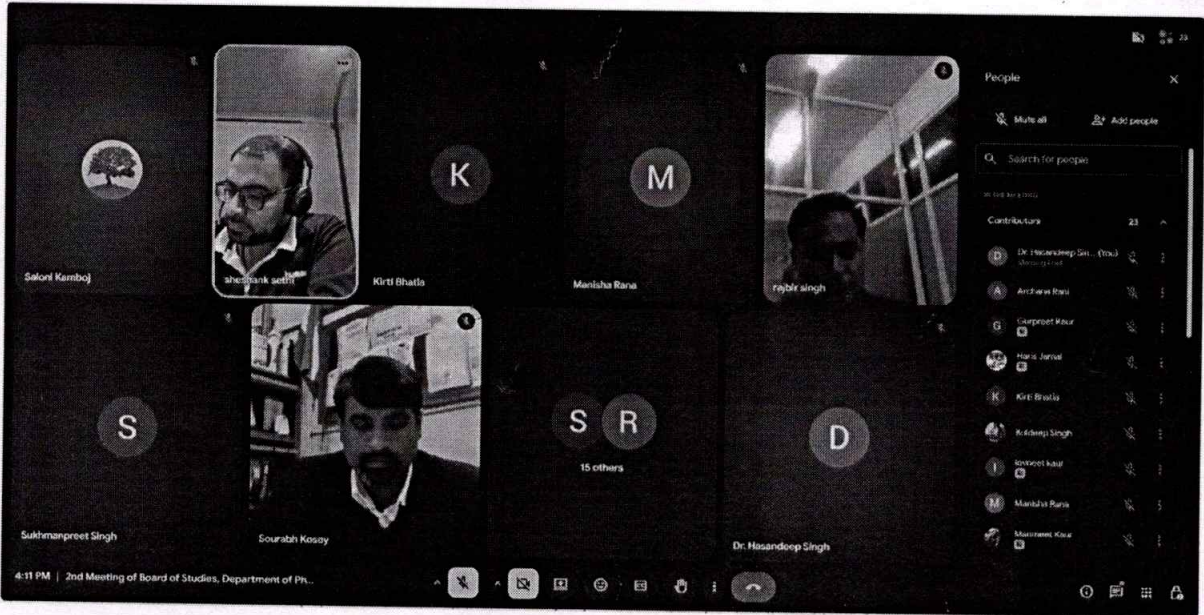

1. The committee discussed the preparation and evaluation process of question papers. It was informed that the question papers were prepared strictly as per the PCI-approved syllabus. Prescribed PCI examination pattern and marks distribution were followed, and Bloom's Taxonomy levels were appropriately mapped. The committee approved the final submission of question papers to the Examination Cell.
2. The semester-wise and subject-wise pass percentage was presented before the committee. Subjects with comparatively low pass percentages were identified and discussed. The committee recommended conducting remedial and bridge classes for slow learners along with additional tutorial and doubt-clearing sessions. It was further decided to strengthen counselling, continuous assessment, and academic monitoring to improve student performance.
3. The committee reviewed the feedback collected from students after the examinations. Important observations related to question clarity, time allocation, and examination patterns were discussed with the concerned faculty members. The committee advised faculty members to strengthen outcome-based teaching and assessment practices. It was also decided to conduct orientation sessions for students regarding examination patterns and continue periodic feedback review meetings.
4. The members were informed regarding the approval of supervisors for the postgraduate students as per the institutional and university guidelines. The list of approved supervisors along with their respective areas of specialization was presented before the committee. Further, the research topics allocated to the PG students were discussed in detail. The committee advised regular monitoring of research progress through periodic review meetings and presentations. After discussion, the committee approved the supervisors and the allotted research topics for the PG students.

5. The appointment of external members as paper setters were discussed. It was informed that the prescribed syllabus, examination pattern, and marks distribution were properly followed. Confidentiality and timely submission of all examination-related documents were ensured.
6. The committee discussed the guidelines for the appointment of external paper setters. Eligibility criteria, approval procedures, syllabus compliance, and question paper patterns were reviewed. Confidentiality norms and evaluation standards were reinforced.
7. A standardized policy and SOP for handling instances of wrong or misprinted question papers were formulated. Communication protocols for informing students and faculty members were finalized. Preventive measures such as peer-review and verification mechanisms were implemented. The committee also decided to maintain proper documentation of errors and corrective actions for future reference and audits.

The meeting concluded with a vote of thanks to the Chair.
