

The variation between *Enrolled Students*, *Final Semester Appeared Students*, and *Passed Out Students* is due to normal academic attrition over the duration of the programs. The difference between enrolled and appeared students represents **dropouts, academic detentions, and migration**, while the gap between appeared and passed out students reflects **students who could not clear all subjects in the final semester**.

**Summary of Student Progression**

Particulars	Number of Students (Pass out Session: 2020-21)	Number of Students (Pass out Session: 2021-22)	Number of Students (Pass out Session: 2022-23)	Number of Students (Pass out Session: 2023-24)	Number of Students (Pass out Session: 2024-25)	Explanation
