

International Conference

AY: 2021-2022

OFFICE OF THE DEAN (R&D)

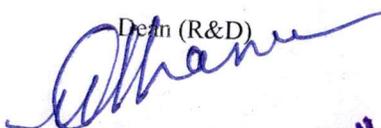

Sr. No.	Authors	Title of the paper	Level (National/ International)	Type of Event	Name of the Conference/ Seminar/ Workshop with complete details like place, date of happening	Page No. & other details of proceedings in which the paper is published	Link
1	Amandeep Singh, Paramjit Singh, Gaurav Tejpal	International Conference on Latest developments in Matirials and Manufacturing	Probabilistic optimization of machining of duplex stainless steel in electric discharge machining with hydroxyapatite nanoparticles mixed dielectric medium	International conference	International Conference on Latest developments in Matirials and Manufacturing	Materials Today: Proceedings Volume 60, Part 3,	Probabilistic optimization of machining of duplex stainless steel in electric discharge machining with hydroxyapatite nanoparticles mixed dielectric medium - ScienceDirect
2	Dr. Pooja Puri	Conceptual framework of artificial intelligence and its utilization	International	International conference	AICTE Sponsored international conference on future challenges in data sciences and Engineering for global sustainability	October 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
3	Dr. Pooja Puri	Factors influencing the use of information and communication technology (ICT) in teaching and learning process	International	International conference	AICTE Sponsored international conference on future challenges in data sciences and Engineering for global sustainability	October 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
4	Mr. Gurjeet Singh	Website based classification of ECG signal using Hjorth descriptor	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 17-22, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
5	Dr. Narinder Sharma	Design of fractal antenna using meander Koch hybrid curves on plus shaped radiating patch for wireless applications	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 46-51, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
6	Er. Atul Mahajan	Signal Jamming surveillance Robot car	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	Pg. No.188-195, October, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
7	Ms. Tejinder Sharma	Voting Classification Method for the Diabetic Prediction	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	October, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
8	Er. Atul Mahajan	Sanitizer tunnel with temperature monitoring	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	October, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf

9	Dr. Sachin Khurana	Routing Protocols in Airborne Ad Hoc Networks	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	October, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
10	Ms. Guneet Kaur,	A review of possibilities in secured channel for internet of things	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 361-364, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
11	Mr. Chetan Verma	Detection of transmission line fault using Microcontroller	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 397-403, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
12	Mr. Bimal Kumar, Mr. Ajaypal Singh, Mr. Chetan Verma	Study of solar wind Hybrid power generation system	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 218-220, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
13	Mr. Bimal Kumar, Mr. Ajaypal Singh, Mr. Chetan Verma	To review and study of dual axis solar tracker	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 153-157, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
14	Dr. Namarta Chopra	A Novel optimization method for solving multi objective power dispatch including different industrial constraints	International	International conference	International Conference on future challenges in data science and engineering for global sustainability	PP: 133-139, October. 7-8, 2021	https://agcamritsar.in/notices/Proceedings_FCDSEGS%202021.pdf
15	Mr. Gurjeet Singh	Robots and its types for industrial applications	International	International conference	International conference on latest development in Material and Manufacturing (ICLDMM-2022)	March 24-25, 2022	Robots and its types for industrial applications - ScienceDirect
