

## **Amritsar Group of Colleges, Amritsar**

**The institution has disabled-friendly, barrier free environment. The institution has provided all below mentioned facilities which make college barrier free for divyangjan (disabled) and elderly persons:**

1. Built environment with ramps/lifts for easy access to classrooms.
2. Divyangjan friendly washrooms
3. Signage including tactile path, lights, display boards and signposts
4. Assistive technology and facilities for Divyangjan accessible website, screen-reading software, mechanized equipment
5. Provision for enquiry and information: Human assistance, reader, scribe, soft copies of reading material, screen reading

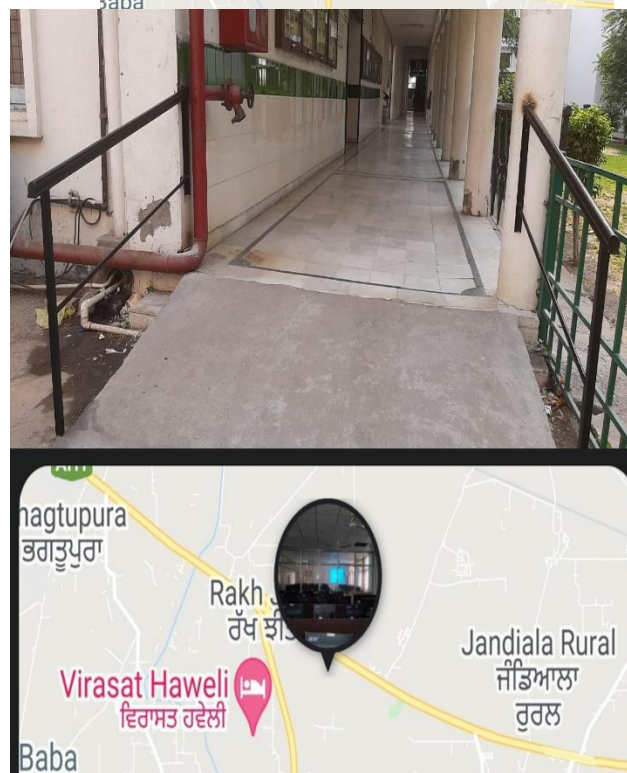

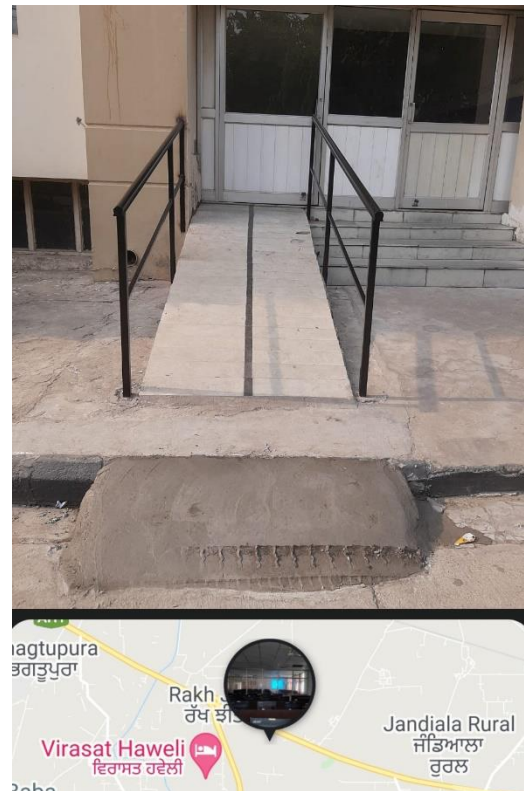

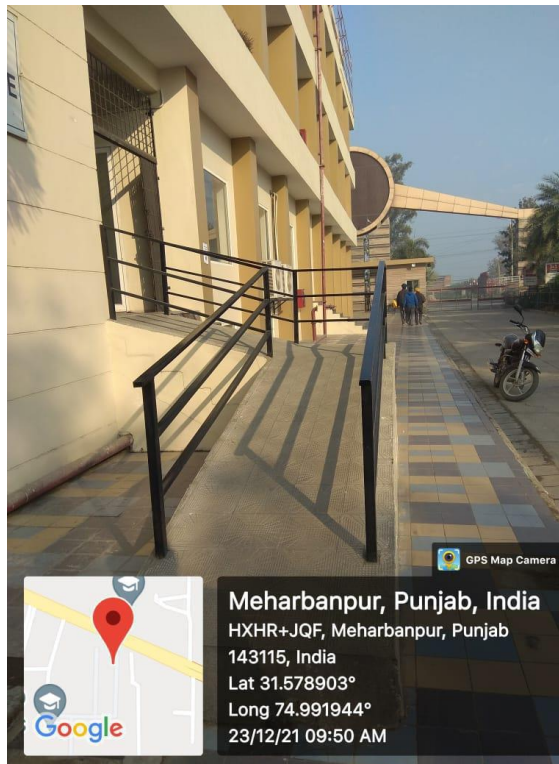

Amritsar Group of Colleges aims to provide an inclusive education framework for all and so strives to create a barrier free and differently abled (divyangjan) friendly environment in our campus. Lifts, ramps, special toilets/bathrooms as well as specific facilities are provided all over the campus wherever required. A special reading hall for differently-able students is available in the library. Provision is made to provide Scribes and additional time to disabled at the time of examination as per norms (when required). Divyangjan-friendly wheelchairs, and needed equipment are provided to employees/students as per their requirement.

### **1. BUILT ENVIRONMENT WITH RAMPS/LIFTS FOR EASY ACCESS TO CLASSROOMS.**

#### **A) RAMP/RAILS AVAILABLE**

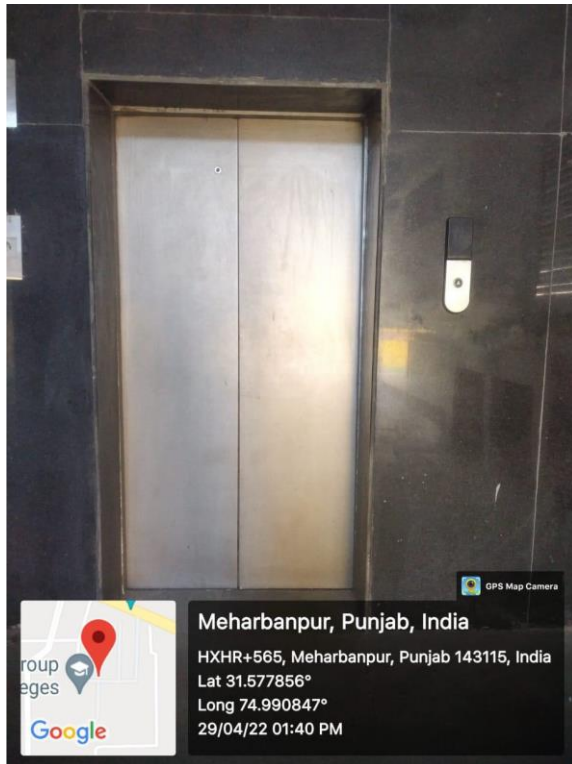

According to the persons with disabilities act, discrimination against disabilities are strictly prohibited in the college. This college intend to provide comprehensive and inclusive teaching and learning environment to students and employees. Aiming to this, the buildings of the college have been made disabled friendly by providing ramps at crucial spots and installing three lifts with access to almost all sections and floors of the building. The Institute has an entrance accessible to the handicapped and it is indicated by signage. In building, ramps are built at entrance and other venues where needed as shown in the building plan. Handrails are also available which helps handicapped students to approach through the ramp.

## Geo-tagged photographs of ramp/rails installed in the campus

## b) Lift

Each academic block is fitted with Lifts for easy access to classrooms.

## **2. DIVYANGJAN FRIENDLY WASHROOMS**

### **Wheel chair & washrooms for disabled students**

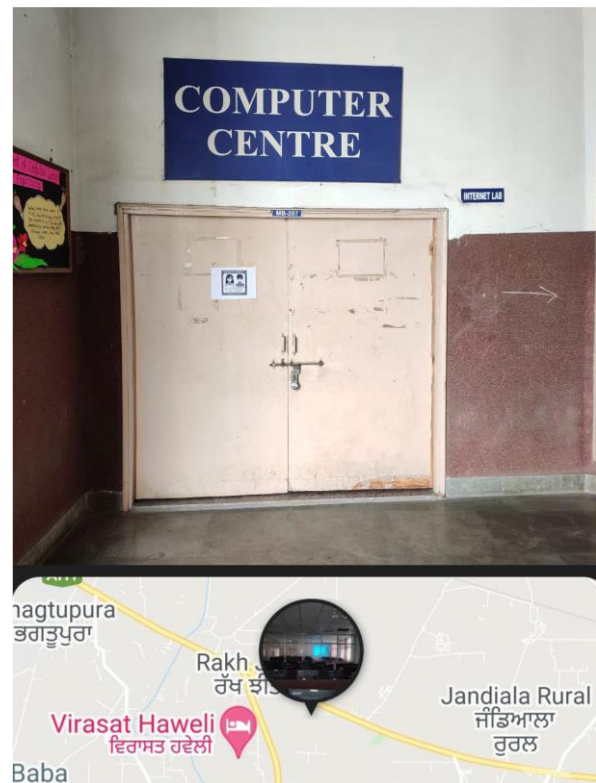

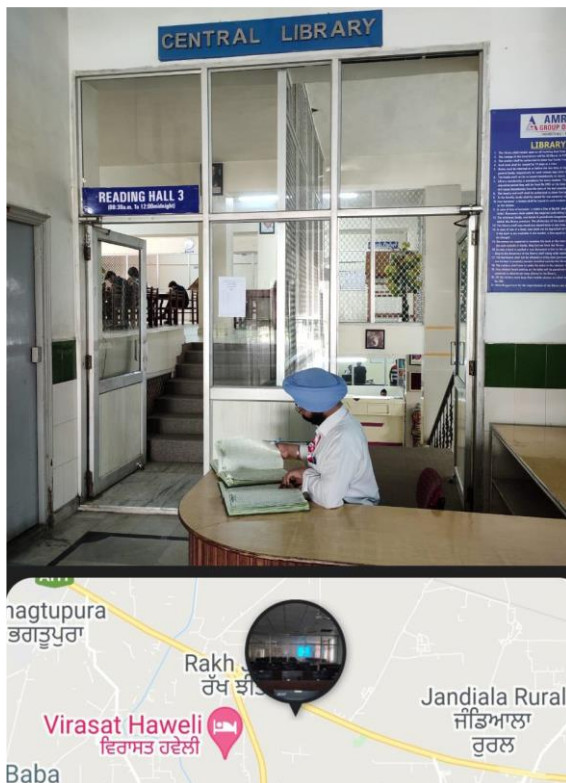

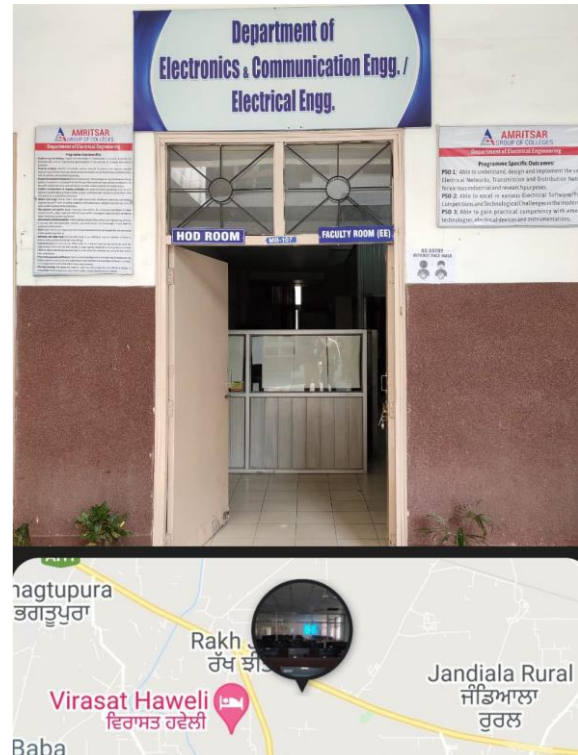

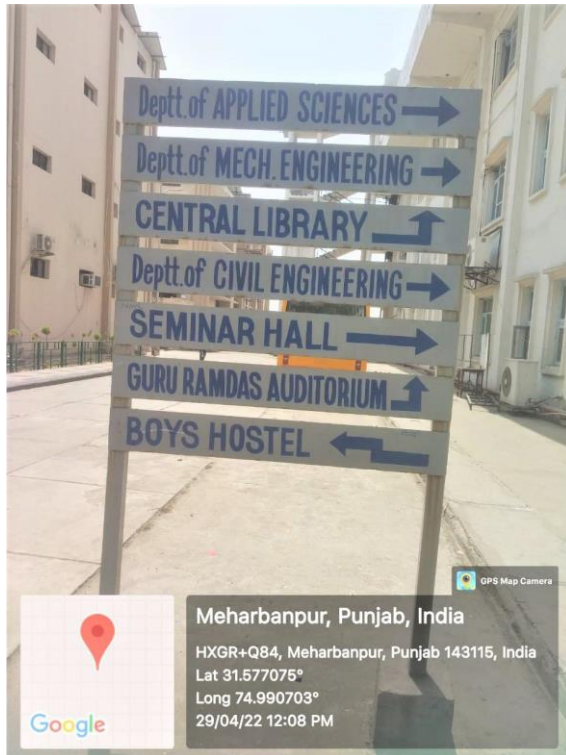

The college has wheelchair accessible toilets on the ground floor of the building with adequate space and also have hand rails. There are separate toilets for male and female disabled students on each floor specially fitted with fittings and western closet.

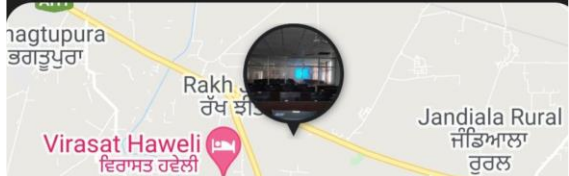

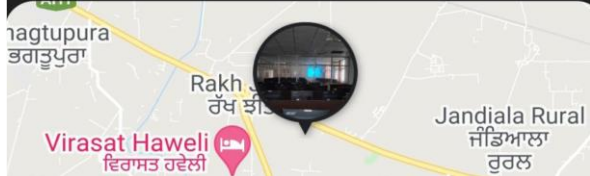

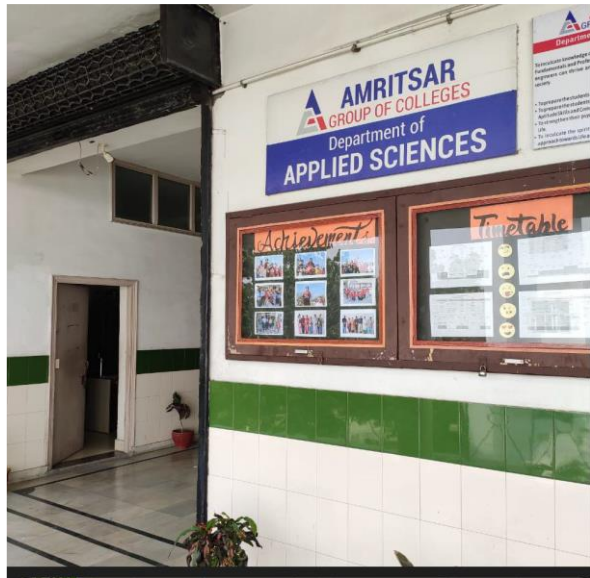

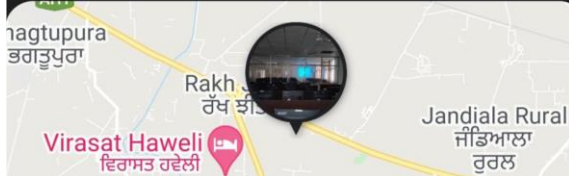

## **2. SIGNAGE INCLUDING TACTILE PATH, LIGHTS, DISPLAY BOARDS AND SIGNPOSTS**

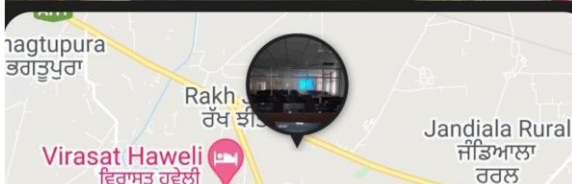

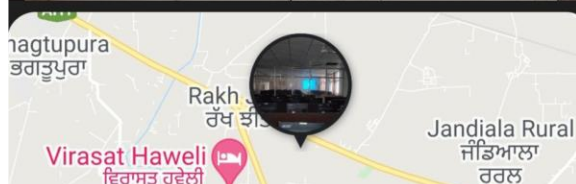

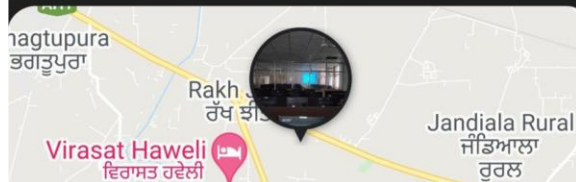

- Separate paving for sight deficient students and staff are available in all buildings of the college to facilitate such individuals.
- The display boards of availability of wheel chairs are available in the primary routs and secondary access in the campus.
- College is complying with the safety laws and rules and is placing the safety signs at various locations in the campus. These signs ensure the safety of our students in case of any emergencies. Directional signage, safety signage, etc. are installed throughout the campus.

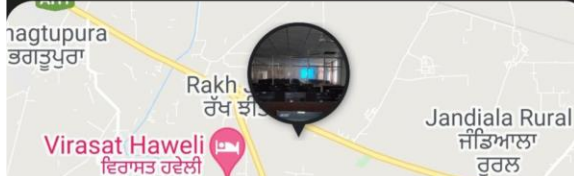

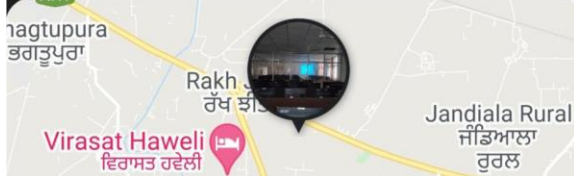

#### **4. ASSISTIVE TECHNOLOGY AND FACILITIES FOR PERSONS WITH DISABILITIES (DIVYANGJAN) ACCESSIBLE WEBSITE, SCREEN-READING SOFTWARE, MECHANIZED EQUIPMENT**

- Notice has been displayed on the notice board of central library and various departments for the students/staff awareness about the YouTube channel on Indian Sign Language.
- Other notice about the availability of Android App for Indian Sign language is displayed in notice boards of central library and different departments of the college.

#### **5. PROVISION FOR ENQUIRY AND INFORMATION: HUMAN ASSISTANCE, READER, SCRIBE, SOFT COPIES OF READING MATERIAL, SCREEN READING**

College employs the Non Visual Desktop Access (NVDA) open source software for assisting and facilitating the individuals with disabilities (divyangjan).

A notice has been displayed on the notice boards of central library and all departments. NVDA allows blind and vision impaired people to access and interact with the Windows operating system and many third party applications.

Website of Amritsar Group of Colleges complies all guidelines made for web content accessibility. This enables persons with visual impairments access the website using various tools. These tools are made available on our website to help the disables.

Many books are available in central library for the disabled. All the provisions are made in central library to ease the disabled.

## Central Library

### Software for Visually Impaired Students

Central Library has the Non-Visual Desktop Access Software for the visually Impaired Students.

Non-Visual Desktop Access (NVDA) is a free, open source (the code is accessible to anyone), portable screen reader software.

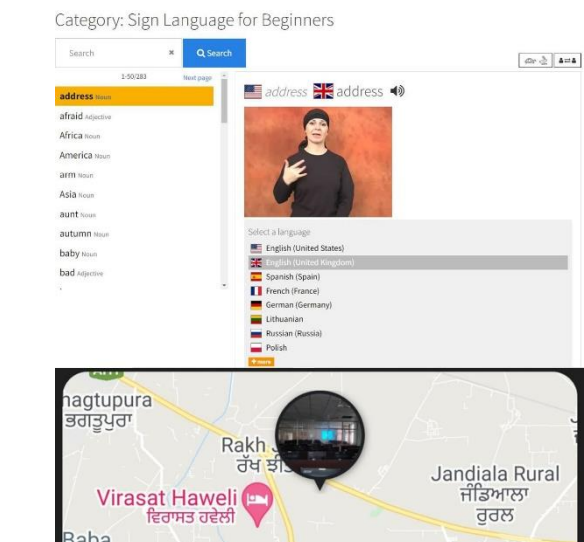

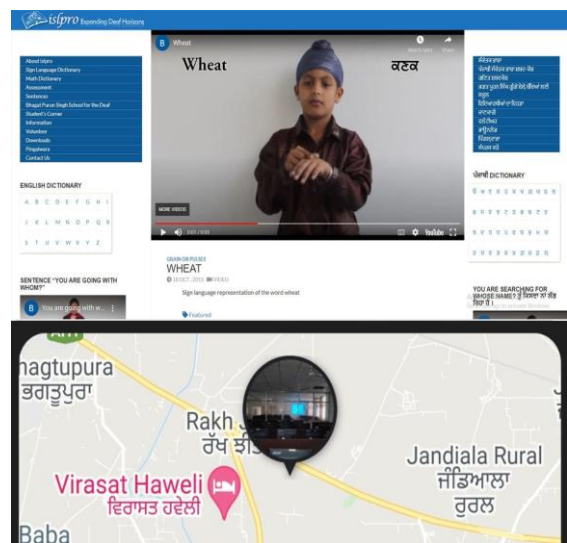

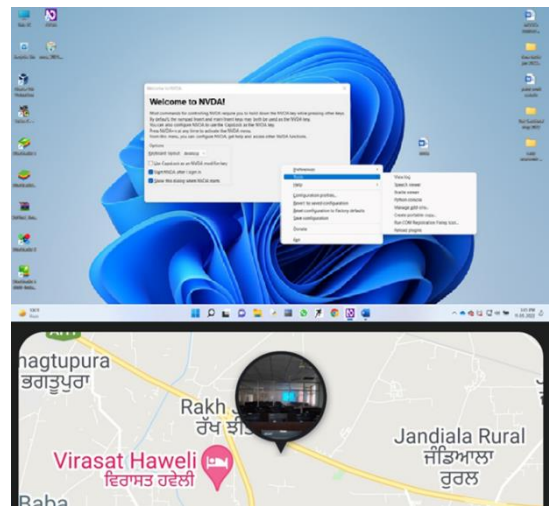

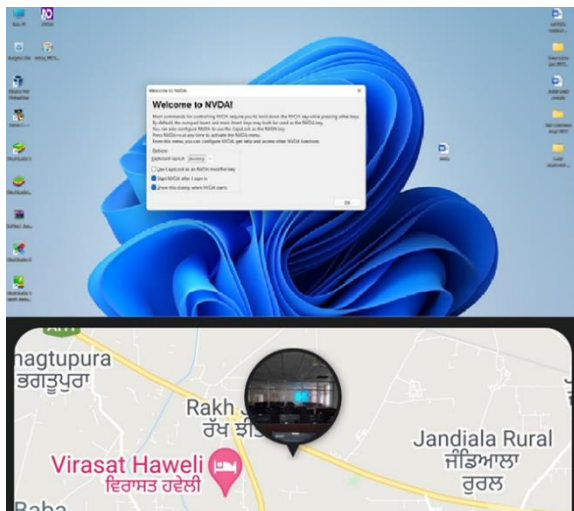

#### Major Features:

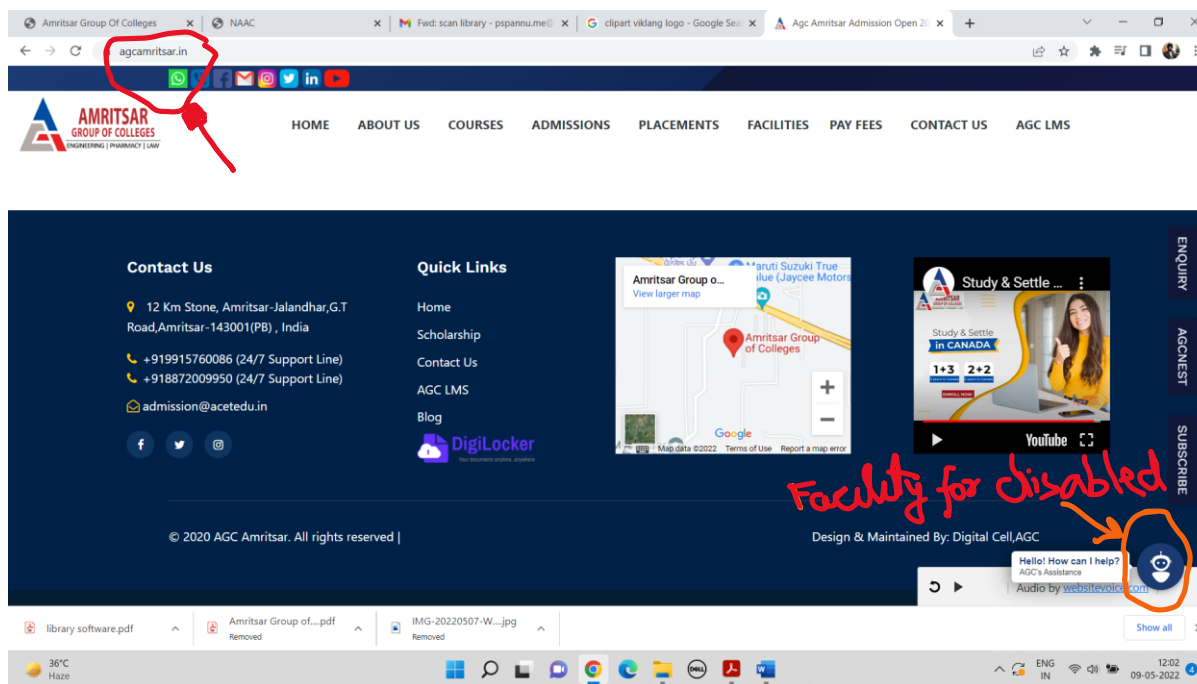

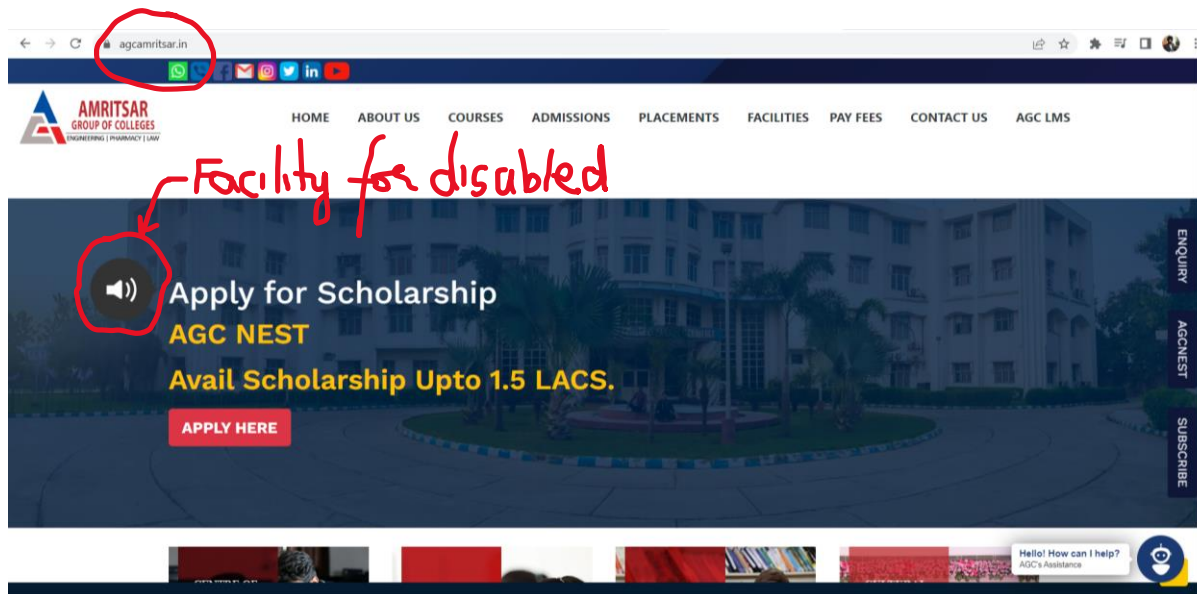

- ❖ Support for popular applications including web browsers such as Mozilla Firefox and Google Chrome, email clients, internet chat software, music players, and office programs such as Microsoft Word and Excel.
- ❖ Built-in speech synthesizer supporting many languages, plus support for many other 3<sup>rd</sup> party voices.
- ❖ Reporting of textual formatting where available such as font name and size, style and spelling errors.
- ❖ Automatic announcement of text under the mouse and optional audible indication of the mouse position.
- ❖ Ability to run entirely from a USB flash drive or other portable media without the need for installation.
- ❖ Easy to use talking installer.
- ❖ Support for modern Windows Operating Systems including both 32- and 64-bit variants.
- ❖ Announcing controls and text while interacting with gestures on touch screens.
